PART I

INFORMATION REQUIRED IN INFORMATION STATEMENT

A. GENERAL INFORMATION

1. Date, Time and Place Of Meeting

The annual shareholders' meeting of THE PALMS COUNTRY CLUB, INC. (the "Club") is scheduled on October 8, 2025, at 2:00 P.M. to be held at the Club premises. The presiding officer shall call and prescribe the stockholders' meeting at the principal office of the corporation or, if not practicable, in the city or municipality where the principal office of the corporation is located. The principal office of the corporation under its Articles of Incorporation is Metro Manila.

The complete mailing address of the Club is 1410 Laguna Heights Drive, Filinvest Corporate City, Alabang, Muntinlupa City.

The information statement shall be sent or given to shareholders no later than September 17, 2025.

2. Dissenter's Right of Appraisal

A shareholder of the Club has the right to dissent and demand payment of the fair value of his shares in the following instances: (a) in case any amendment to the articles of incorporation has the effect of changing or restricting the rights of any shareholder or class of shares, or of authorizing preferences in any respect superior to those outstanding shares of any shares or any class, or of extending or shortening the term of corporate existence; (b) in case of sale, lease, exchange, transfer, mortgage, pledge or other disposition of all or substantially all of the corporate property and assets as provided in the Revised Corporation Code of the Philippines ("Revised Corporation Code"); (c) in case of investment of corporate funds in any other corporation or business or for any purpose other than the Club's primary purpose; and (d) in case of merger or consolidation.

The shareholder concerned must have voted against the proposed corporate action in order to avail himself of the appraisal right. As provided in the Revised Corporation Code, the procedure in the exercise of the appraisal right is as follows:

- a. The dissenting shareholder files a written demand within thirty (30) days after the date on which the vote was taken. Failure to file the demand within the thirty-day period constitutes a waiver of the right. Within ten (10) days from demand, the dissenting shareholder shall submit the stock certificate/s to the Club for notation that such shares are dissenting shares. From the time of the demand until either the abandonment of the corporate action in question or the purchase of the shares by the Club, all rights accruing to the shares shall be suspended, except the shareholder's right to receive payment of the fair value thereof.
- b. If the corporate action is implemented, the Club shall pay the shareholder the fair value of his shares upon surrender of the corresponding certificate/s of stock. Fair value is determined by the value of the shares of the Club on the day prior to the date on which vote

is taken on the corporate action, excluding any appreciation or depreciation in value in anticipation of the vote on the corporate action.

- c. If the fair value is not determined within sixty (60) days from the date of the vote, it will be determined by three (3) disinterested persons (one chosen by the Club, another chosen by the shareholder, and the third one chosen jointly by the Club and the shareholder). The findings of the appraisers will be final, and their award will be paid by the Club within thirty (30) days following such award, provided the Club has sufficient unrestricted retained earnings. Upon such payment, the shareholder shall forthwith transfer his shares to the Club. No payment shall be made to the dissenting shareholder unless the Club has unrestricted retained earnings.
- d. If the shareholder is not paid within thirty (30) days from such award, his voting rights shall be immediately restored.

There is no matter to be taken up at the annual meeting on October 8, 2025, which entitles a dissenting shareholder to the exercise of the appraisal right.

3. Interest of Certain Persons in or Opposition to Matters to be Acted Upon

No director or executive officer of the Club or nominee for election as such director or officer has any substantial interest, direct or indirect, in any matter to be acted upon at the annual shareholders' meeting, other than election to office. Likewise, none of the directors has informed the Club of his opposition to any matter to be taken up at the meeting.

B. CONTROL AND COMPENSATION INFORMATION

4. Voting Securities and Principal Holders Thereof

- (a) The total number of shares outstanding is 4,600 common shares. Shareholders are entitled to cumulative voting in the election of the Board of Directors, as provided by the Revised Corporation Code. Each common share of stock is entitled to one vote.
- (b) The record date for purposes of determining the stockholders entitled to vote is September 8, 2025.
- (c) Consistent with the provisions of the Revised Corporation Code, a shareholder may vote such number of shares for as many persons as there are directors to be elected. He may cumulate said shares and give one candidate as many votes as the number of directors to be elected multiplied by the number of his shares shall equal, or he may distribute them on the same principle among as many candidates as he shall see fit: *Provided*, That the total number of votes cast by him shall not exceed the number of shares owned by him as shown in the books of the Club multiplied by the whole number of directors to be elected. The shareholder must be a shareholder of record as of September 8, 2025 to be able to exercise cumulative voting rights.
- (d) Security Ownership of Certain Beneficial Owners and Management

Security Ownership of Record and Beneficial Owners of more than five percent (5%) as of July 31, 2025 is as follows:

relationship with a bank, quasi-bank, trust company, investment house or as an affiliated person of any of them;

(2) Any person who, by reason of misconduct, after hearing, is permanently enjoined by a final judgment or order of the Securities and Exchange Commission ("Commission") or any court or administrative body of competent jurisdiction from: (i) acting as underwriter, broker, dealer, investment adviser, principal distributor, mutual fund dealer, futures commission merchant, commodity trading advisor, or floor broker; (ii) acting as director or officer of a bank, quasi-bank, trust company, investment house, or investment company; (iii) engaging in or continuing any conduct or practice in any of the capacities mentioned in above, or willfully violating the laws that govern securities and banking activities.

The disqualification shall also apply if such person is currently the subject of an order of the Commission or any court or administrative body denying, revoking or suspending any registration, license or permit issued to him under the Revised Corporation Code, Securities Regulation Code or any other law administered by the Commission or *Bangko Sentral ng Pilipinas* (BSP), or under any rule or regulation issued by the Commission or BSP, or has otherwise been restrained to engage in any activity involving securities and banking; or such person is currently the subject of an effective order of a self-regulatory organization suspending or expelling him from membership, participation or association with a member or participant of the organization;

- (3) Any person convicted by final judgment or order by a court or competent administrative body of an offense involving moral turpitude, fraud, embezzlement, theft, estafa, counterfeiting, misappropriation, forgery, bribery, false affirmation, perjury or other fraudulent acts;
- (4) Any person who has been adjudged by final judgment or order of the Commission, court, or competent administrative body to have willfully violated, or willfully aided, abetted, counseled, induced or procured the violation of any provision of the Revised Corporation Code, Securities Regulation Code or any other law administered by the Commission or BSP, or any of its rule, regulation or order;
- (5) Any person judicially declared as insolvent;
- (6) Any person found guilty by final judgment or order of a foreign court or equivalent financial regulatory authority of acts, violations or misconduct similar to any of the acts, violations or misconduct enumerated in subparagraphs (1) to (5) above;
- (7) Any person who has been convicted by final judgment of an offense punishable by imprisonment for more than six (6) years, or a violation of the Revised

- Corporation Code committed within five (5) years prior to the date of his election or appointment; and
- (8) All other grounds for disqualification under the Articles of Incorporation and By-Laws of the Club.

Temporary Disqualifications

The following shall be grounds for the temporary disqualification of a director:

- (1) Refusal to fully disclose the extent of his business interest as required under the Securities Regulation Code and its Implementing Rules and Regulations. This disqualification shall be in effect as long as his refusal persists;
- (2) Absence or non-participation for whatever reason/s for more than fifty percent (50%) of all meetings, both regular and special, of the Board of Directors during his incumbency, or any twelve (12)-month period during said incumbency. This disqualification applies for purposes of the succeeding election;
- (3) Dismissal/termination from directorship in a listed corporation for cause. This disqualification shall be in effect until he has cleared himself of any involvement in the alleged irregularity;
- (4) Being under preventive suspension by the Club;
- (5) If the beneficial equity of an independent director in the corporation or its subsidiaries and affiliates exceeds two percent (2%) of its subscribed capital stock;
- (6) If the independent director becomes an officer or employee of the Club, he shall be automatically disqualified from being an independent director;
- (7) Conviction that has not yet become final referred to in the grounds for the disqualification of directors.

Independent Directors

A shareholder may nominate individuals to be independent directors, taking into account the following guidelines:

A. "Independent director" means a person who, apart from his fees and shareholdings, is independent of management and free from any business or other relationship which could, or could reasonably be perceived to, materially interfere with his exercise of independent judgment in carrying out his responsibilities as a director in any

corporation that meets the requirements of Section 17.2 of the Securities Regulation Code and includes, among others, any person who:

- i. Is not, or has not been a senior officer or employee of the covered Corporation unless there has been a change in the controlling ownership of the corporation;
- ii. Is not, and has not been in the two (2) years immediately preceding the election, a director of the covered Corporation; a director, officer, employee of the covered Corporation's subsidiaries, associates, affiliates or related companies; or a director, officer, employee of the covered Corporation's substantial shareholders and its related companies;
- iii. Has not been appointed in the covered Corporation, its subsidiaries, associates, affiliates or related companies as Chairperson "Emeritus," "Ex-Officio" Directors/Officers or Members of any Advisory Board, or otherwise appointed in a capacity to assist the Board in the performance of its duties and responsibilities within two (2) years immediately preceding his election:
- iv. Is not an owner of more than two percent (2%) of the outstanding shares of the covered Corporation, its subsidiaries, associates, affiliates or related companies;
- v. Is not a relative of a director, officer, or substantial shareholder of the covered Corporation or any of its related companies or of any of its substantial shareholders. For this purpose, relatives include spouse, parent, child, brother, sister and the spouse of such child, brother or sister;
- vi. Is not acting as a nominee or representative of any director of the covered Corporation or any of its related companies; e.g. Is not a securities broker-dealer of listed companies and registered issuers of securities. "Securities broker-dealer" refers to any person holding any office of trust and responsibility in a broker-dealer firm, which includes, among others, a director, officer, principal shareholder, nominee of the firm to the Exchange, an associated person or salesman, and an authorized clerk of the broker or dealer;
- vii. Is not retained, either in his personal capacity or through a firm, as a professional adviser, auditor, consultant, agent or counsel of the covered Corporation, any of its related companies or substantial shareholder, or is otherwise independent of Management and free from any business or other relationship within the two (2) years immediately preceding the date of his election;
- viii. Does not engage or has not engaged, whether by himself or with other persons or through a firm of which he is a partner, director or substantial shareholder, in any transaction with the covered Corporation or any of its related companies or substantial shareholders, other than such transactions that are conducted at arm's length and could not materially interfere with or influence the exercise of his independent judgment within the two (2) years immediately preceding the date of his election;
- ix. Is not affiliated with any non-profit organization that receives significant funding from the covered Corporation or any of its related companies or substantial shareholders; and
- x. Is not employed as an executive officer of another Corporation where any of the covered Corporation's executives serve as directors.

- B. When used in relation to the Club subject to the requirements above:
 - i. Related company means another company which is: (a) its holding company, (b) its subsidiary, or (c) a subsidiary of its holding company; and
 - ii. Substantial shareholder means any person who is directly or indirectly the beneficial owner of more than ten percent (10%) of any class of its equity security.
- C. An independent director shall have the following qualifications:
 - i. He shall have at least one (1) share of stock of the Club;
 - ii. He shall be at least a college graduate or he shall have been engaged in or exposed to the business of the Club for at least five (5) years;
 - iii. He shall possess integrity/probity; and
 - iv. He shall be assiduous.
- D. An independent director shall be disqualified during his tenure under the following instances or causes:
 - i. He becomes an officer or employee of the Club, or becomes any of the persons enumerated under letter (A) hereof;
 - ii. His beneficial security ownership exceeds 10% of the outstanding capital stock of the Club;
 - iii. He fails, without any justifiable cause, to attend at least 50% of the total number of board meetings during his incumbency unless such absences are due to grave illness or death of an immediate family;
 - iv. If he becomes disqualified under any of the grounds stated in the Club's Revised Manual on Corporate Governance.
- E. Pursuant to SEC Memorandum Circular No. 9, Series of 2011, as amended by SEC Memorandum Circular No. 04, Series of 2017, the following additional guidelines shall be observed in the qualification of individuals to serve as independent directors:
 - i. There shall be no limit in the number of covered companies that a person may be elected as independent director, except in business conglomerates where an independent director can be elected to only five (5) companies of the conglomerate, i.e., parent company, subsidiary or affiliate;
 - ii. The independent director shall serve for a maximum cumulative term of nine (9) years, after which the independent director shall be perpetually barred from re-election as such in the same company, but may continue to qualify as non-independent director;
 - iii. In the instance that a company wants to retain an independent director who has served for nine (9) years, the Board should provide meritorious justification/s and seek shareholders' approval during the annual shareholders' meeting; and
 - iv. The reckoning of the cumulative nine-year term is from 2012.

The Corporate Governance Committee, acting as the Nomination Committee, receives nominations for independent directors as may be submitted by the shareholders. After the deadline for the submission thereof, the Corporate Governance Committee shall meet to consider the qualifications as well as grounds for disqualification, if any, of the nominees based on the criteria set forth in the Club's Revised Manual on Corporate Governance and Rule 38 of the Securities Regulation Code. All nominations shall be signed by the nominating shareholders together with the acceptance and conformity by the would-be nominees. The Corporate Governance Committee shall then prepare a Final List of Candidates enumerating the nominees who passed the screening. The name of the person or group of persons who recommends nominees as independent directors shall be disclosed along with his or their relationship with such nominees.

Only nominees whose names appear on the Final List of Candidates shall be eligible for election as independent directors. No other nomination shall be entertained after the Final List of Candidates shall have been prepared. No further nomination shall be entertained or allowed on the floor during the annual meeting.

The conduct of the election of independent directors shall be made in accordance with the standard election procedures of the Club and its By-Laws. It shall be the responsibility of the Chairman of the meeting to inform all shareholders in attendance of the mandatory requirement of electing independent directors. He shall ensure that independent directors are elected during the annual meeting. Specific slots for independent directors shall not be filled up by unqualified nominees. In case of failure of election for independent directors, the Chairman of the Meeting shall call a separate election during the same meeting to fill up the vacancy.

The Corporate Governance Committee, upon nomination by a member of the Club, Atty. Ramon S. Esguerra, and following the guidelines provided under the Club's Manual of Corporate Governance, named Mr. Joaquin P. Roa, Ms. Josephine L. Lagdameo and Ms. Marie Cynthia C. Segura, as nominees for this year's annual meeting as independent directors. Atty. Esguerra is not related to any of the nominees. The Corporate Governance Committee has determined that these nominees for independent directors possess all the qualifications and have none of the disqualifications for independent directors as set forth in the Manual of Corporate Governance.

Attached hereto as Annexes "C-1", "C-2" and "C-3" are the Certification of Qualification of Independent Directors duly executed by the above-named nominee independent directors.

C. ISSUANCE AND EXCHANGE OF SECURITIES

9. Authorization or Issuance of Securities

There will be no action to be taken during the meeting with respect to authorization or issuance of securities other than for exchange.

10. Modification or Exchange of Securities

No action will be taken at the meeting that will result in modification or exchange of securities.

11. Financial and Other Information

(a) Information Required

(1) Financial Statements

The Club's Annual Report with attached Statement of Management's Responsibility and Audited Financial Statements for the year ended December 31, 2024 is attached hereto as **Annex "B"** to form an integral part hereof.

The Interim/Unaudited Financial Statements of the Club for the first and second quarters of 2025 are attached hereto as **Annexes "D-1" and "D-2"**, respectively.

(2) Management Report

The Brief Discussion on the Nature and Business of the Club and the Management's Discussion and Analysis or Plan of Operations of the Club is attached hereto as **Annex "E".**

D. OTHER MATTERS

12. Action With Respect To Reports

The Club's Audited Financial Statements for the year ended 2024 will be submitted to the shareholders for ratification.

13. No Action to be Taken on Mergers, Consolidations, Acquisitions and Similar Matters

No action will be taken at the annual shareholders' meeting with respect to any merger or consolidation involving the Club, the acquisition by the Club of any other entity, going business or of all of the assets thereof, the sale or other transfer of all or any substantial part of the assets of the Club, or the liquidation or dissolution of the Club.

14. No Action to be Taken on Acquisition or Disposition of Property

No action will be taken at the annual meeting with respect to any acquisition or disposition of property by the Club requiring approval of the shareholders.

15. No Action to be Taken on Restatement of Accounts

No action will be taken at the annual meeting with respect to any restatement of any asset, capital or surplus account of the Club.

16. Matters Not Required To Be Submitted

Only matters which require shareholders' approval will be taken up during the annual meeting. No action will be taken with respect to any matter which is not required to be submitted to a vote of security holders.

17. Amendment of Charter, By-laws or Other Documents

At the meeting of the Board of Directors on August 14, 2025, the Board of Directors representing at least a majority of all its members approved the amendment of Article Third of the Club's Articles of Incorporation to change its principal office address from "Metro Manila" to "1410 Laguna Heights Drive, Filinvest City, Alabang, Muntinlupa City".

The above-mentioned amendment was also approved by the Board in the preceding year and was presented at the shareholders' meeting held on October 7, 2024. However, the same was not submitted for approval due to insufficiency of the required quorum which should be the presence of at least 67% of the total outstanding shares of the Club.

The said amendments shall be submitted for shareholders' approval during their annual meeting on October 8, 2025.

18. Other Proposed Action

The following are the other matters to be taken up during the annual shareholders' meeting:

- **a.** Approval of the minutes of the annual meeting of shareholders held on October 7, 2024. The minutes of the annual meeting of the shareholders held on October 7, 2024 is attached hereto as **Annex "F"**;
- b. Presentation of the Management Report and Ratification of the Audited Financial Statements for the year ended 31 December 2024;
- c. General ratification of the acts, resolutions and proceedings of the Board of Directors, Board Committees and the Management up to October 8, 2025;
- d. Approval of the Amendment of Article Third of the Club's Articles of Incorporation to Change its Principal Office Address From "Metro Manila" to "1410 Laguna Heights Drive, Filinvest City, Alabang, Muntinlupa City";
- e. Election of the members of the Board of Directors to serve for 2025-2026; and
- f. Appointment of External Auditor.

The above items are part of the agenda of the annual meeting of the Club to be held on October 8, 2025.

The audited financial statements refer to financial operations, balance sheet and income statement of the Club for the year ended December 31, 2024.

The general ratification of the acts of the Board, Board Committees and Management refer to the approval by the shareholders of the resolutions passed and the matters acted upon, as the case may be, by the Board, Board Committees and Management relating to the operations of the Club. Following are the major resolutions approved and adopted by the Board and Executive Committee from the date of the last annual shareholders' meeting to date:

- a. Approval of the Audited Financial Statements for the year ended December 31, 2024;
- b. Approval of the financial budget and major capital expenditure projects for the year 2025:
- c. Approval of the date of the annual shareholders' meeting, agenda thereof, and record date;
- d. Approval to conduct the annual shareholders' meeting in person and face to face;
- e. Appointment of the officers and Board committee members of the Club for the year 2025-2026; and
- f. Appointment of authorized representatives for various Club transactions.

19. Voting Procedures

The approval of the minutes of the annual shareholders' meeting held on October 7, 2024, ratification of the Audited Financial Statements for the year ended December 31, 2024, ratification of corporate acts, and the appointment of external auditors for the year 2025 shall be decided by a majority vote of the shareholders present in person or by proxy and entitled to vote thereat, a quorum being present.

The approval of the amendment of Article Third of the Club's Articles of Incorporation to Change its Principal Office Address From "Metro Manila" to "1410 Laguna Heights Drive, Filinvest City, Alabang, Muntinlupa City" shall be decided by 2/3 of the shareholders present in person or by proxy and entitled to vote thereat.

The voting procedures shall be as follows:

- 1. The Chairman of the meeting announces that the particular item is subject to motion for approval by the shareholders;
- 2. A shareholder moves for the approval of the item;
- 3. Another shareholder seconds the motion;
- 4. The Chairman of the meeting states that the motion is carried in case no objection on the floor is raised;
- 5. Should there be an objection, the approval or denial of the motion shall be decided by the plurality vote of shareholders present or by proxy and entitled to vote thereat, a quorum being present.

The election of directors need not be done by ballot. If the nominees for election prescreened by the Nomination Committee do not exceed the number of directors to be voted upon, all the nominees shall be declared duly elected directors. However, should the number of nominees exceed the number of board seats, the seven nominees garnering the highest number of votes shall be declared as duly elected, subject to the shareholders' right to cumulative voting and the guidelines on the election of the independent directors as set forth above. On a vote by ballot, each ballot shall be signed by the shareholder voting, or in his name by his proxy if there be such a proxy, and shall state the number of shares voted by him. In such case, the ballots cast shall be counted by the representatives of the external auditor of the Club assisted by the office of the Corporate Secretary.

The voting procedures outlined above assume the existence of a quorum at the meeting.

20. Market for Issuer's Common Equity and Related Shareholder Matters

There is no public trading market for selling the shares of stock of the Club. The shares may be issued to any person regardless of nationality, provided that at least sixty percent (60%) of the Club's outstanding capital stock shall be held by Filipino nationals.

PART I - BUSINESS AND GENERAL INFORMATION

ITEM 1: BUSINESS DEVELOPMENT AND BUSINESS OF ISSUER

THE PALMS COUNTRY CLUB, INC. (the "Club") is a stock, not-for-profit corporation which was duly registered with the SEC on May 24, 2000 under SEC Registration No. A-2000-05129. Its primary purpose is to foster, conduct and promote social, business and athletic activities among its members, with the main objective of engaging in the development, construction, maintenance, management and operation of a recreational sports club that will provide members thereof the use and enjoyment of facilities for indoor and outdoor sports, recreational and physical fitness activities, restaurants, dining halls and similar facilities. No part of the income or assets of the Club shall belong to or inure to the benefit of any member, officer or any specific person.

As a not-for-profit corporation organized for the purposes stated above, the Club is subject to 25% Regular Corporate Income Tax. Revenue memorandum Circular No. 35-2012 clarified the taxability of Clubs organized and operated exclusively for pleasure, recreation and other non-profit purposes. Accordingly, organizations that were established for recreation and other non-profit purposes such as country clubs must pay income tax under National Internal Revenue Code (NIRC) and VAT. The Club's gross receipts including but not limited to membership fees, assessment dues, rental income and services fees are subject to income tax and VAT. The Association of Non-profit Clubs, Inc. (ANPC) submitted to BIR a position paper requesting the non-application of RMC 35-2012 on the grounds that membership dues collected from members are used to defray the expenses of the exclusive membership clubs and should not be subject to income tax and VAT. On September 17, 2014, ANPC filed a petition before the RTC declaring RMC 35-2012 as invalid, unjust, oppressive, confiscatory, and in violation of due process clause of the constitution. On August 15, 2019, the Supreme Court has ruled that membership fees, assessment fees and other fees collected by clubs which are organized and operated exclusively for pleasure, recreation and non-profit purposes are not subject to income and VAT.

The Club had an initial capital stock of eight (8) no par value share, consisting of seven (7) Founder's Shares and one (1) common share. As approved by the Securities and Exchange Commission (SEC) on November 20, 2000, the capital stock was increased to four thousand six hundred (4,600) common no par value shares divided into one thousand nine hundred seven (1,907) Class "A" shares (including the seven (7) Founder's Shares), two hundred fifty (250) Class "B" shares, one hundred fifty (150) Class "C" shares and two thousand two hundred ninety three (2,293) Class "D" shares (including the original one (1) common share).

The Club's principal place of business is at 1410 Laguna Heights Drive, Filinvest Corporate City, Alabang, Muntinlupa City.

The operations and business of the Club are subject to ordinances, rules and regulations issued or enacted by the local government of Muntinlupa City.

The Club is a private and exclusive propriety membership club. It is a comprehensive "resort-within-the-city" club that offers a complete range of services and facilities to members. It is part of the hospitality industry specifically operating as a family-oriented, deluxe country club located south of Manila. Membership is limited to those who have purchased membership shares and have been duly prescreened by the Board of Directors.

The Club has generated total revenue of ₱483.2 million for the year ended December 31, 2024. Food and beverage, Membership dues, Sports and recreation, Club Shop and other miscellaneous revenues contributed 59.8%, 25.5%, 7.6% and 7.2% respectively.

Alabang Country Club, Rockwell Club, and Manila Polo Club are generally the Club's main competitors. However, aside from these exclusive membership clubs, Palms also competes directly in the area of banquet business with nearby hotels/condotels such as Bellevue Manila, Vivere Suites, Acacia Hotel, Crimson Hotel, The Filinvest Tent, Palazzo Verde (formerly Fernbrook Gardens) and the Somerset Alabang. Those competing with the Club for restaurant business include the free-standing restaurants in the Alabang Town Center, Festival Mall, Westgate Center, River Park Festival Mall, Molito and Commerce Center in Filinvest City.

The banquet market boasts several formidable competitors, each with unique offerings. The Bellevue Manila stands out with its two accommodation towers. Vivere Suites boasts a competitive ballroom accommodating up to 150 guests. Acacia Hotel holds an advantage with two ballrooms accommodating between 200 to 300 guests each. Crimson Hotel distinguishes itself with its impressive ballroom, capable of accommodating up to 300 guests, making it a standout choice for events and banquets. Palazzo Verde continues to impact the wedding market by offering romantic ambiance and versatile venue settings, including a Basilica for ceremonies. The Filinvest tent stands out as a spacious venue, accommodating from 500 to 2,000 guests. Somerset Alabang offers two function rooms each accommodating up to 100 guests.

The hotel competitors excel in various aspects, particularly in their fully furnished and well stocked guestrooms, along with a range of hotel services such as room service, bar lounges featuring regular entertainers, and shuttle services to and from malls. These amenities contribute to their sustained patronage and success in acquiring corporate clients for consecutive-day seminars, as the additional services enhance the overall experience for guests and cater to their diverse needs.

The Club has extended its business reach by offering outside catering services, meeting the requirements of its loyal club members at their residences and various venues, including office buildings and special events locations. Partnering with the Filinvest Tent, a larger venue, enables

the Club to cater to gatherings of up to 4,000 individuals, enhancing its capacity and service offerings.

The Club's competitive advantage lies in its "value for money" pricing strategy, allowing it to capture a significant portion of the banquets market. Alabang Country club, Rockwell Club, and Manila Polo Club differentiate themselves through their comparatively lower pricing, which strengthens their position in the banquet business.

To effectively and efficiently compete with its rivals, the Club must uphold high standards in its food and beverage offerings, deliver first-class service and meticulously plan events and activities.

As of December 31, 2024, the Club employs 174 probationary and regular staff, an increase from 173 in the previous year, December 31, 2023. There is no collective bargaining agreement between management and employees, and the policy prohibits tipping or accepting gifts from members. Instead, a 10% service charge on food and beverage sales is collected and distributed among all regular and probationary, including agency-hired employees.

ITEM 2: PROPERTIES

The Club owns a 30,000-square meters parcel of land (the "Property") situated at 1410 Laguna Heights Drive, Filinvest Corporate City in Alabang, Muntinlupa City, and covered by Transfer Certificate of Title No. 209983 issued by the Registry of Deeds for Muntinlupa City. The country club building was constructed on the Property. The building is covered by Tax Declaration Number E-005-08273 duly issued by the City of Muntinlupa.

Both the Property and building are the subject of separate subscription agreements entered into between the Club and its developer, Filinvest Alabang, Inc. ("FAI").

Under the terms of the Subscription Agreement dated September 14, 2000, as amended on October 20, 2000, FAI:

- ceded, transferred, assigned and delivered to the Club the Property valued at ₱14,000 per square meter or a total of ₱420,000,000, in exchange for 867 Class "A" shares, 115 Class "B" shares and 68 Class "C" shares, or a total of 1,050 shares.
- developed the Property into a world class sports and country club with facilities and equipment necessary to operate the Club, in exchange for 1,033 Class "A" shares, 135 Class "B" shares and 82 Class "C" shares, or a total of 1,250 shares.

In 2004, the corresponding shares of stock were issued to FAI upon final acceptance of the Property by the Club. And pursuant to a Subscription Agreement entered into in December 2004, the advances of FAI for the development of the country club building in the amount of ₱687,693,521 were further exchanged for equity in the Club.

There is no mortgage, lien or encumbrance over the Property and the building.

There is no property being leased by the Club. Neither does the Club intend to lease any of its properties in the next 12 months.

The Club has no intention to acquire properties in the nature of capital assets in the next twelve (12) months, except for major repairs and maintenance of some facilities in order to continue to live up to the members' expectations through continuous improvements, facelifts and renovations.

ITEM 3: LEGAL PROCEEDINGS

At present, there are no legal proceedings involving the Club.

ITEM 4: SUBMISSION OF MATTERS TO A VOTE OF SECURITY HOLDERS

There were no matters submitted to a vote of security holders during the period covered by this report.

PART II - OPERATIONAL AND FINANCIAL INFORMATION

ITEM 5: MARKET FOR ISSUER'S COMMON EQUITY AND RELATED STOCKHOLDERS' MATTERS

Market Information

There is no public trading market for selling the shares of stocks of the Club. FAI resells to interested third parties the Class "A", "B" and "C" shares of the Club it received in exchange for the Property and the development of the country club structures and facilities thereon.

The Club shall not issue shares of stock, which will reduce the stock ownership of Philippine citizens to less than 60% of the outstanding capital stock. No holder of any class of shares shall have any pre-emptive right to acquire, purchase or subscribe to any share of the club of any class.

ITEM 6: MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATIONS

Discussion of the Results of Operations for 2024 vs. 2023 and 2022

For the year ended December 31, 2024, the Club recorded a total revenue of \$483.2 million, marking a significant increase compared to \$456.8 million in 2023 and \$348.1 million in 2022. Membership dues collected amounted to ₱123.1 million, representing 25.5% of total revenues. The significant increase in membership revenue can be attributed to the rise in monthly membership dues from ₽4,000.00 to ₽4,500.00, effective April 1, 2024, reflecting a 15% increase. The increase in membership dues was necessary to upgrade to a more efficient Club management software and operating system, to address rising labor costs due to industry standardization, government-mandated wage increases and statutory contributions, to comply with the 20% senior citizen discount and the 12% value-added tax exemption, and additional expenditures on Club improvements to enhance the member experience. This adjustment resulted in a considerable boost to overall revenue figures for the year. Revenues from Sports & Recreation were ₱36.5 million in 2024, compared to ₱31.3 million in 2023 and ₱21 million in 2022. This segment contributed 7.6%, 6.9% and 6.0% to total club revenues in 2024, 2023, and 2022 respectively. Club Shop and other miscellaneous revenues amounted to ₽34.7 million in 2024, ₽29.7 million in 2023, and ₽24.6 million in 2022, contributing 7.2%, 6.5% and 7.1% of total revenues in 2024, 2023, and 2022 respectively. These encompasses various sources such as transfer fees, assignment and renomination fees, revenues from party package, equipment hires and merchandise sales. The total increase in revenue by ₽26.4 million in 2024 can be attributed also to increased patronage by members.

As of December 31, 2024, the total direct costs amounted to \$\times 333.3\$ million, representing 69% of the total revenues. This is compared to 70.3% or \$\times 321\$ million in 2023 and 69.9% or \$\times 243.2\$ million in 2022. Out of the total direct costs, the total cost of sales (food and beverage, sports & recreation, club shop and others) percentage was 38% of the total revenues in 2024. Significant direct costs include utilities, laundry and operating supplies which accounted for \$\times 48.9\$ million or 10.1% of total revenue in 2024 and payroll which accounted for \$\times 83.8\$ million or 17.3% of total revenue in 2024. Other direct costs (banquets and special events, communications, contracted services and marketing expenses) totaled \$\times 17\$ million or 3.5% of total revenue in 2024.

The total other operating expenses, excluding depreciation, stood at \$\mathbb{P}108\$ million as of December 31, 2024, compared to \$\mathbb{P}89.7\$ million as of December 31, 2023 and \$\mathbb{P}71.8\$ million in 2022. Notably, excluded from theses operating expense is the \$\mathbb{P}4.8\$ million lease charge for chilled water supply in 2024. The rise in other operating expenses can be attributed to the Club's full operations and

the corresponding increase in revenues. Management remains committed to implementing measure aimed at controlling operating costs.

The total depreciation expenses for 2024 amounted to \$28.5 million, from \$30.0 million in 2022, resulting a decline of \$1.5 million or 5.1%. This is due to the adjustments in building accumulated depreciation.

From December 31, 2023, to December 31, 2024, the membership count increased by 11, from 2,283 to 2,294 members. The recorded secondary shares sold consisted of 50 for Class A and 2 for Class C. Total membership dues collected for the year amounted to \$\mathbb{P}\$123.1 million, reflecting the adjustment of dues increase from \$\mathbb{P}\$4,000.00 to \$\mathbb{P}\$4,500.00 effective April 2024, representing 15%. Additionally, management continued its discount scheme, allowing members to prepay twelve months' worth of membership dues in exchange for one-month F&B credits at any restaurant outlet within the Club.

In 2024, the total current assets amounted to ₱250.2 million, compared to ₱206.7 million as of December 31, 2023. Among these assets, cash comprised 74.2%, contract receivables 15.4%, due from related parties 1.7%, inventories 6.7%, advances to suppliers .4% and other current assets 1.5%. Contract receivables as of December 31, 2024 decreased by 18% due to recognition of impairment loss and adjustment to accounts receivable auction account from previous years. Total inventories decreased by 2% as at December 31, 2024, primarily attributed to better management and handling of purchases of food and beverages. To capitalize on substantial discounts and item availability, the Club rented an external cold storage and procured bulk meat supplies in preparation for the holiday season in December.

For the year ending December 31, 2024, the acquisition of property and equipment totaled \$\textstyle{2}18.7\$ million. This expenditure primarily stemmed from the acquisition of company service vehicle, final payments for the 2-unit members' elevator, AHU chilled water-cooling system for Café Asiana, purchase of central kitchen's walk-in chiller and freezer, new kitchen equipment, various sports & gym equipment and building improvements. These new equipment and acquisitions and major repairs were undertaken to uphold and enhance the quality of facilities and services provided to the members.

As at December 2024, the Club's total current assets amounted to \$250.2 million, while current liabilities stood at \$130.9 million. The Club's current ratio reached to 1.91, compared to 1.84 as at December 31, 2023, indicating a healthy liquidity position. To bolster its cash position, penalty charges of 2% per month or 24% per annum were implemented against members with overdue accounts. Furthermore, access to the Club's facilities and amenities is suspended for members whose accounts are overdue for 60 days or more. The quick ratio, improved to 1.71, as compared to 1.60 as at December 31, 2023, reflects a favorable liquidity position, while the solvency ratio is robust at 6.72 from 7.4 in December 31, 2023.

As at December 31, 2024, the Club's total assets stood at of \$\mathbb{P}1.03\$ billion. The Club's debt ratio is strong at .17, with total liabilities of \$\mathbb{P}153.5\$ million over stockholders' equity of \$\mathbb{P}877.4\$ million.

Commitment for Capital Expenditure

In April 2016 the Club entered into an "Efficiency Performance Contract with Engle Services (Philippines) for the latter to operate and maintain installations that supply chilled water to the Club. This is a comprehensive rehabilitation of the air-conditioning system of the Club. The terms of the agreement require that the Club make monthly fixed payments of \$\text{P}246,000\$ exclusive of VAT from the date of agreement until the date of completion of testing and commissioning of the chilled water installations. The agreement further stipulates that Engle will initially shoulder the cost of the installations for the chilled water supply owned by the Club and Engle to bill the Club for its share of the cost of installations. Upon completion of testing and commissioning, the Club is required to make fixed monthly payments of \$\text{P}622,000\$ exclusive of VAT, for the next ten (10) years representing the fixed period charges of the Club for the use of the chilled water and after which, the ownership of the remaining installations will be vested to the Club. As of December 31, 2017, the Club has paid Engle P22.5 million representing Club's share in the cost of installations.

On February 28, 2017, Engie has completed the testing and commissioning of the installation. On March 18, 2017, full operation commenced and Engie started billing the Club the fixed charges. As of December 31, 2023, the club has paid a total of ₱57.8 million equivalent to ninety-three (93) fixed monthly installments.

ITEM 7: FINANCIAL STATEMENTS

The management of the Club is responsible for the preparation and fair presentation of the financial statements for the years ended December 31, 2024, and the years ended December 31, 2023, and December 31, 2022. The financial statements have been prepared in accordance with prescribed financial reporting framework indicated therein. This responsibility includes designing and implementing internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies, and making accounting estimates that are reasonable in the circumstances.

The Board of Directors reviews and approves the financial statements of the Club.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Philippine Financial Reporting Standards. The auditor's responsibility is to express an opinion on the financial statements based on the audit conducted in accordance with Philippine Standards on Auditing. Those standards require that the auditor should comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement. The auditor also evaluates the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

There have been no disagreements with SGV on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedure. Representatives of SGV are expected to be present at the annual meeting and they will have the opportunity to make statement if they desire to do so and are expected to be available to respond to appropriate questions.

The 2024 audit of the Club is in compliance with paragraph (3)(b)(ix) of SRC Rule 68, as amended, which provides that the external auditor should be rotated, or the handling partner changed, every five (5) years or earlier. Moreover, the International Ethics Standards Board for Accountants (IESBA) Code of Ethics for Professional Accountants allows the rotation period of seven (7) years for public interest entities (PIE).

PART IV - CORPORATE GOVERNANCE

Consistent with the Club's Revised Manual for Corporate Governance, directors and officers are designated to comprise the various committees of the Club. These include the executive, audit, nomination and compensation committees which were formed to aid in good corporate governance by providing support to the Board in the performance of specific functions.

The Club is in substantial compliance with its Revised Manual for Corporate Governance as demonstrated by the following: (a) the election of three (3) independent directors to the Board; (b) the appointment of directors and officers as members of the executive, audit, nomination and compensation committees of the Club; the conduct of regular quarterly board meetings and special meetings and the faithful attendance of the directors at these meetings and their proper discharge of duties and responsibilities as such directors; (c) the submission to the SEC of structured reports and disclosures required under the Securities Regulation Code; (d) the Club's adherence to national and local laws pertaining to its operations; and (e) the observance of applicable accounting standards by the Club.

In order to keep itself abreast with the leading practices on corporate governance, the Club encourages the members of top-level management and the Board to attend and participate at seminars on corporate governance initiated by accredited institutions. Last December 10, 2024, the directors and officers of the Club participated in a SEC-accredited Corporate Governance Training conducted by the Center for Global Best Practices.

The Club welcomes proposals, especially from institutions and entities such as the SEC, to improve corporate governance.

There is no known material deviation from the Club's Revised Manual on Corporate Governance.

INDEPENDENT AUDITOR'S REPORT

The Board of Directors The Palms Country Club, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of The Palms Country Club, Inc. (the Club), which comprise the statements of financial position as at December 31, 2024 and 2023, and the statements of revenue and expenses, statements of comprehensive income, statements of changes in equity and statements of cash flows for each of the three years in the period ended December 31, 2024, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Club as at December 31, 2024 and 2023, and its financial performance and its cash flows for each of the three years in the period ended December 31, 2024 in accordance with Philippine Financial Reporting Standards (PFRS) Accounting Standards.

Basis for Opinion

We conducted our audits in accordance with Philippine Standards on Auditing (PSAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Club in accordance with the Code of Ethics for Professional Accountants in the Philippines (Code of Ethics) together with the ethical requirements that are relevant to our audit of the financial statements in the Philippines, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with PFRS Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Club or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Club's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with PSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with PSAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
 or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that
 is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
 collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Club to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

(A Not-for-Profit Corporation)

NOTES TO FINANCIAL STATEMENTS

1. Corporate Information

The Palms Country Club, Inc. (the Club) was registered with the Philippine Securities and Exchange Commission (SEC) on May 24, 2000 and operated as a non-profit corporation. The Club's main purpose is the maintenance and operation of indoor and outdoor recreational facilities, restaurants and dining halls for the use and enjoyment of its members. No part of the income or asset of the Club shall belong or inure to the benefit of any member, officer or specific person.

The Club's registered address and principal place of business is at 1410 Laguna Heights Drive, Filinvest City, Alabang, Muntinlupa City.

The Club's accompanying financial statements as of December 31, 2024 and 2023 were approved and authorized for issuance by the Board of Directors (BOD) on April 11, 2025.

2. Summary of Material Accounting Policy Information

Basis of Preparation

The accompanying financial statements of the Club have been prepared using historical the cost basis. The financial statements are presented in Philippine Peso (P), which is also the Club's functional currency. All amounts are rounded off to the nearest peso unless otherwise indicated.

Statement of Compliances

The accompanying financial statements of the Club have been prepared in compliance with Philippine Financial Reporting Standards (PFRS) Accounting Standards.

Changes in Accounting Policies and Disclosures

The accounting policies adopted are consistent with those of the previous financial year, except for the adoption of new standards effective in 2024. The Club has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

Unless otherwise indicated, adoption of these new standards did not have any impact on the financial statements of the Club.

Amendments to PAS 1, Classification of Liabilities as Current or Non-current

The amendments clarify:

- That only covenants with which an entity must comply on or before reporting date will affect a liability's classification as current or non-current.
- That classification is unaffected by the likelihood that an entity will exercise its deferral right.
- That only if an embedded derivative in a convertible liability is itself an equity instrument would the terms of a liability not impact its classification.

- Amendments to PFRS 16, Lease Liability in a Sale and Leaseback The amendments specify how a seller-lessee measures the lease liability arising in a sale and leaseback transaction in a way that it does not recognize any amount of the gain or loss that relates to the right of use retained.
- Amendments to PAS 7 and PFRS 7, Disclosures: Supplier Finance Arrangements
 The amendments specify disclosure requirements to enhance the current requirements, which are intended to assist users of financial statements in understanding the effects of supplier finance arrangements on an entity's liabilities, cash flows and exposure to liquidity risk.

Standards Issued but Not Yet Effective

Pronouncements issued but not yet effective are listed below. The Club intends to adopt the following pronouncements when they become effective. Adoption of these pronouncements is not expected to have a significant impact on the Club's financial statements, unless otherwise indicated.

Effective beginning on or after January 1, 2025

• Amendments to PAS 21, Lack of exchangeability

Effective beginning on or after January 1, 2026

- Amendments to PFRS 9 and PFRS 7, Classification and Measurement of Financial Instruments
- Annual Improvements to PFRS Accounting Standards—Volume 11
 - Amendments to PFRS 1, Hedge Accounting by a First-time Adopter
 - Amendments to PFRS 7, Gain or Loss on Derecognition
 - Amendments to PFRS 9, Lessee Derecognition of Lease Liabilities and Transaction Price
 - Amendments to PFRS 10, Determination of a 'De Facto Agent'
 - Amendments to PAS 7, Cost Method

Effective beginning on or after January 1, 2027

- PFRS 18, Presentation and Disclosure in Financial Statements
- PFRS 19, Subsidiaries without Public Accountability
- PFRS 17, Insurance Contracts

Deferred effectivity

Amendments to PFRS 10, Consolidated Financial Statements, and PAS 28, Sale or Contribution
of Assets between an Investor and its Associate or Joint Venture

Material Accounting Policy Information

Current versus Noncurrent Classification

The Club presents assets and liabilities in its statement of financial position based on a current and noncurrent classification. An asset is current when it is:

- a. expected to be realized or intended to be sold or consumed in normal operating cycle;
- b. held primarily for the purpose of trading;
- c. expected to be realized within 12 months after the reporting period; or
- d. cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period.

All other assets are classified as noncurrent.

A liability is current when:

- a. it is expected to be settled in normal operating cycle;
- b. it is held primarily for the purpose of trading;
- c. it is due to be settled within 12 months after the reporting period, or
- d. there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period.

The Club classifies all other liabilities as noncurrent.

Deferred tax assets and liabilities are classified as noncurrent assets and liabilities, respectively.

Cash and Cash Equivalents

Cash includes cash on hand and in banks. Cash in bank earns interest at the prevailing bank deposit rate. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash with original maturities of three (3) months or less from dates of placement and that are subject to an insignificant risk of change in value.

Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability; or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible to the Club. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Club uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Fair Value Hierarchy of Financial Instruments Recognized at Fair Value

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Club determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

Financial assets are classified, at initial recognition, as at amortized cost, fair value through other comprehensive income (OCI), or fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Club's business model for managing them. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both. With the exception of trade receivables that do not contain a significant financing component or for which the Club has applied the practical expedient, the Club initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Club has applied the practical expedient are measured at its transaction price.

In order for a debt financial asset to be classified and measured at amortized cost or fair value through OCI, it needs to give rise to cash flows that passes the 'solely payments of principal and interest' on the principal amount outstanding (SPPI criterion). This assessment is referred to as the SPPI test and is performed at the instrument level.

The Club's business model for managing financial assets refer to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling financial assets, or both.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognized on the trade date, i.e., the date that the Club commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Financial assets at amortized cost (debt instruments)
- Financial assets at fair value through OCI with recycling of cumulative gains and losses (debt instruments) (FVOCI with recycling)
- Financial assets designated at fair value through OCI with no recycling of cumulative gains and losses upon derecognition (equity instruments) (FVOCI with no recycling)
- Financial assets at fair value through profit or loss (FVTPL)

Financial assets at amortized cost (debt instruments)

This category is the most relevant to the Club. The Club measures financial assets at amortized cost if both of the following conditions are met:

- The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at amortized cost are subsequently measured using the effective interest rate (?) (EIR) method and are subject to impairment. Gains and losses are recognized in profit or loss when the asset is derecognized, modified or impaired.

The Club's financial assets at amortized cost include cash and cash equivalents, receivables and due from related parties.

The Club has no financial assets at FVOCI with or without recycling and at FVTPL categories.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at FVTPL, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Club's financial liabilities include accounts and other payables (excluding taxes payables), due to related parties and lease liabilities.

Subsequent measurement

After initial recognition, financial liabilities are measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through EIR amortization process. This accounting policy relates to the Club's accounts and other payables, due to related parties and lease liabilities.

Impairment of Financial Assets

The Club recognizes an allowance for expected credit losses (ECL) for all debt instruments not held at FVTPL. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Club expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

For cash and cash equivalents, the Club applies the low credit risk simplification. The probability of default and loss given defaults are publicly available and are considered to be low credit risk investments. The Club also evaluates the credit rating of the bank and other financial institutions to determine whether the debt instrument has significantly increased in credit risk and to estimate ECLs. It is the Club's policy to measure ECLs on such instruments on a 12-month basis. However, when there has been a significant increase in credit risk since origination, the allowance will be based on lifetime ECL.

For trade receivables, the Club applies a simplified approach in calculating ECLs. Therefore, the Club does not track changes in credit risk, but instead recognizes a loss allowance based on lifetime ECLs at each reporting date. The Club has established a provision matrix for its receivables that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

For other receivables and due from related parties, ECLs are recognized in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

The Club considers a financial asset in default when contractual payments are 60 days past due. However, in certain cases, the Club may also consider a financial asset to be in default when internal or external information indicates that the Club is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Club. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

Derecognition of Financial Assets and Financial Liabilities

Financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognized (i.e., removed from the Club's statement of financial position) when:

- The rights to receive cash flows from the asset have expired, or,
- The Club has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass through' arrangement; or,
- The Club has transferred its rights to receive cash flows from the asset and either (a) has
 transferred substantially all the risks and rewards of the asset, or (b) has neither transferred nor
 retained substantially all the risks and rewards of the asset, but has transferred control of the
 asset.

When the Club has transferred its rights to receive cash flows from an asset or has entered into a passthrough arrangement, it evaluates if, and to what extent, it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Club continues to recognize the transferred asset to the extent of its continuing involvement. In that case, the Club also recognized an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Club has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Club could be required to repay.

Financial liabilities

A financial liability is derecognized when the obligation under the liability is discharged, cancelled, or has expired.

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognized in the statement of comprehensive income.

Inventories

Inventories are valued at the lower of cost and net realizable value (NRV). NRV is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale. Cost includes purchase price, freight and handling costs and is determined using the first-in, first-out method.

Other Current Assets

Other current assets pertain to creditable withholding tax, advances to suppliers, and other current assets such as prepayments and deposits which are controlled by the Club as a result of past events and from which future economic benefits are expected to flow to the Club within one (1) year after the reporting period.

Property and Equipment

Property and equipment consist of land, land improvements, building, and sports, kitchen and other facilities and equipment, and right-of-use (ROU) asset. Except for land, the Club's property and equipment are stated at cost, less accumulated depreciation and amortization and any impairment in value. Land is stated at cost, less any impairment in value. The initial cost of property and equipment consists of its purchase price, including import duties, taxes and any directly attributable costs of bringing the asset to its working condition and location for its intended use, including borrowing cost.

Expenditures incurred after the assets have been put into operation, such as repairs and maintenance, are normally charged to operations in the period in which the costs are incurred. In situations where it can be clearly demonstrated that the expenditures have resulted in an increase in the future economic benefits expected to be obtained from the use of an item of property and equipment beyond its originally assessed standard of performance, the expenditures are capitalized as an additional cost of property and equipment.

Depreciation is calculated on a straight-line basis over the estimated useful lives (EUL) of the assets, as follows:

	Y ears
Land improvements	10
Building	40
Sports, kitchen and other facilities and equipment	5-20

The useful lives and depreciation method are reviewed periodically to ensure that the period and method of depreciation are consistent with the expected pattern of economic benefits from items of property and equipment.

When an item of property and equipment is derecognized, the cost of the related accumulated depreciation and accumulated impairment loss, if any, is removed from the account. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of revenues and expenses in the year the asset is derecognized.

37....

Other Noncurrent Assets

Other noncurrent assets include operating equipment (i.e., linen and glassware) that are carried at cost, less any impairment. Operating equipment is expensed to the appropriate department expense account as it is consumed.

Impairment of Nonfinancial Assets

The Club assesses at each reporting date whether there is indication that its nonfinancial assets (i.e., property and equipment, other current assets and other noncurrent assets) may be impaired. If any such indication exists, or when annual impairment testing for an asset is required, the Club makes an estimate of the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs to sell and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets, in which case the receivable amount is assessed as part of the CGU to which it belongs. When the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less cost to sell, an appropriate valuation model is used. These calculations are corroborated by valuation multiples and other available fair value indicators. An impairment loss is charged to operations in the year it arises.

A previously recognized impairment loss is reversed only if there has been a change in the estimates used to determine the recoverable amount of an asset, however, not to an amount higher than the carrying amount that would have been determined (net of any depreciation) had no impairment loss been recognized for the asset in prior years. A reversal of an impairment loss is credited to current operations.

Leases

The Club assesses whether a contract is, or contains a lease, at the inception of a contract. This assessment involves the exercise of judgment about whether it depends on a specified asset, whether the Club obtains substantially all the economic benefits from the use of the asset and whether the Club has the right to direct the use of the asset.

The Club as lessee - operating lease

Except for short-term leases and leases of low-value assets, the Club recognizes a right-of-use (ROU) asset and a corresponding lease liability with respect to all lease agreements in which it is the lessee.

ROU asset

The Club recognizes ROU asset at the commencement date of the lease (i.e., the date the underlying asset is available for use). ROU asset is measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liability. The cost of ROU asset includes the amount of lease liability recognized, initial direct costs incurred, lease payments made at or before the commencement date less any lease incentives received, and any estimated costs to be incurred in dismantling and removing the underlying asset, restoring the site on which it is located or restoring the underlying asset to the condition required by the terms and conditions of the lease, unless those costs are incurred to produce inventories. Unless the Club is reasonably certain to obtain ownership of the leased asset at the end of the lease term, the recognized ROU asset is depreciated on a straight-line basis over the shorter of its estimated useful life and the remaining lease term.

ROU asset is subject to impairment. Refer to the accounting policies on impairment of nonfinancial assets section.

Lease liabilities

At the commencement date of the lease, the Club recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Club and payments of penalties for terminating a lease, if the lease term reflects the Club exercising the option to terminate.

In calculating the present value of lease payments, the Club uses the incremental borrowing rate at the commencement date if the interest rate implicit to the lease is not readily determinable. After the commencement date, the amount of lease liability is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liability is remeasured if there is a modification, a change in the lease term, a change in the in-substance fixed lease payments or a change in the assessment to purchase the underlying asset.

The variable lease payments that do not depend on an index or a rate are recognized as expense in the period on which the event or condition that triggers the payment occurs.

Short-term leases

The Club applies the short-term lease recognition exemption to its short-term leases of space (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). Lease collections on short-term leases are recognized as income on a straight-line basis over the short-term lease term.

Retirement Benefit Costs

The net defined benefit liability or asset is the aggregate of the present value of the defined benefit obligation at the end of the reporting period reduced by the fair value of plan assets (if any), adjusted for any effect of limiting a net defined benefit asset to the asset ceiling. The asset ceiling is the present value of any economic benefits available in the form of refunds from the plan or reductions in future contributions to the plan.

The cost of providing benefits under the defined benefit plans is actuarially determined using the projected unit credit method.

Defined benefit obligations comprise the following:

- Service cost
- Net interest on the net defined benefit liability or asset
- Remeasurement of net defined benefit liability or asset

Service costs which include current service costs, past service costs and gains or losses on non-routine settlements are recognized as expense in the statement of revenues and expenses. Past service costs are recognized when plan amendment or curtailment occurs. These amounts are calculated periodically by an independent qualified actuary.

Net interest on the net defined benefit liability or asset is the change during the period in the net defined benefit liability or asset that arises from the passage of time which is determined by applying the discount rate based on government bonds to the net defined benefit liability or asset. Net interest on the net defined benefit liability or asset is recognized as expense or income in the statement of revenues and expenses.

Remeasurements comprising actuarial gains and losses, return on plan assets and any change in the effect of the asset ceiling (excluding net interest on defined benefit liability) are recognized immediately in other comprehensive income (OCI) in the period in which they arise. Remeasurements are not reclassified to profit or loss in subsequent periods.

Equity

Capital stock with no par or stated value is measured at the amount of total contributions received.

Retained Earnings (Deficit)

Retained earnings (Deficit) represents net accumulated income (losses) of the Club.

Revenue Recognition

Revenue from contracts with customers

The Club primarily derives its revenues from membership dues, sale of food and beverage, sports and recreation and Club shop and other operating department revenues.

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Club expects to be entitled in exchange for those goods or services. The Club assesses its revenue arrangements against specific criteria in order to determine if it is acting as principal or agent. The Club has generally concluded that it is acting as principal in all of its revenue arrangements.

The disclosures of significant accounting judgements, estimates and assumptions relating to revenue from contracts with customers are provided in Note 3.

Membership dues

Revenue from membership dues is recognized over the time the related services are rendered and/or facilities and amenities are used. Transaction price is determined to be the approved monthly membership rate by the BOD. Each transaction is considered as a single performance obligation; therefore, it is not necessary to allocate the transaction price. The service is capable of being distinct from the other services and the transaction price for each service is separately identifiable. Revenue is recognized over the time the related services and/or facilities and amenities are used since the customer simultaneously receives and consumes services provided by the Club.

Membership dues are billed one month in advance and are recognized in the statement of revenues and expenses over the period when these are due.

Collections for accounts which are not yet due, and therefore, do not qualify for revenue recognition are recorded as "Contract liabilities" account in the current liabilities section of the statement of financial position.

Food and beverage

Revenue from sale of food and beverage is recognized at a point in time the goods are served or delivered. Transaction price is determined to be the invoice amount and each transaction is considered as a single performance obligation; therefore, it is not necessary to allocate the transaction price. The goods are capable of being distinct from the other goods and the transaction price for each good is separately identifiable. Revenue is recognized at a point in time when the related risks and rewards are transferred to the customer or actual possession is transferred.

Sports and recreation

Revenue from sports and recreation is recognized over the time the facilities and amenities are used. Transaction price is determined to be the invoice amount and each transaction is considered as a single performance obligation; therefore, it is not necessary to allocate the transaction price. The service is capable of being distinct from the other services and the transaction price for each service is separately identifiable. Revenue is recognized over the time the customer uses the facilities and amenities provided by the Club.

Club shop

Revenue from Club shop is recognized at a point in time the goods are served or delivered. Transaction price is determined to be the invoice amount and each transaction is considered as a single performance obligation; therefore, it is not necessary to allocate the transaction price. The goods are capable of being distinct from the other goods and the transaction price for each of the goods is separately identifiable. Revenue is recognized at a point in time when the related risks and rewards are transferred to the customer or actual possession is transferred.

Discount

Starting February 1, 2024, in compliance with Section 4(a)(7) of Republic Act (RA) 9994 or the Expanded Senior Citizens Act of 2020, the Club provides discounts to senior citizens and persons with disabilities (PWD) on the Club's sale of goods and services pertaining to the use of the Clubs' facilities and equipment. Section 4(a)(7) of RA 9994 does not apply to the payment of membership dues.

The Club also provided a certain discount to qualified members who have reached the minimum spending at the Club. These are recognized when availed by the qualified members.

The discount is presented as contra account to the related revenue account.

In 2024, the discounts provided by the Club amounted to ₱9.20 million and these were presented as deductions from the Club's food and beverage revenues.

Contract Balances

Contract receivables

A receivable represents the Club's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Club has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Club transfers goods or services to the customer, a contract liability is recognized when the payment is made, or the payment is due (whichever is earlier). Contract liabilities are recognized as revenue when the Club performs under the contract.

The contract liabilities also include payments received by the Club from the members for which revenue recognition has not yet commenced.

Other Revenue and Income Recognition

Interest income

Interest income is recognized as it accrues, using the EIR method that is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument to the net carrying amount of the financial asset.

Other income

Other income comprises mainly of other food and beverage, card stickers and membership cards and penalties for late payment. These are recognized when the related goods are sold, services are rendered or the right to receive payment is established.

Direct Costs and Operating Expenses

Direct costs and operating expenses are recognized in the statement of revenues and expenses when decreases in economic benefits during the accounting period in the form of outflows or depletion of assets or decrease of liabilities have arisen that can be measured reliably. Direct costs and operating expenses encompass losses as well as those expenses that arise in the course of ordinary activities of the Club. Direct costs are charged to the statement of revenues and expenses when the related revenue is recognized while operating expenses are recognized as incurred. Direct costs and operating expenses are generally measured at the amount paid or payable.

Income Taxes

Current tax

Current tax assets and liabilities for the current period are measured at the amount expected to be recovered from or paid to the tax authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

Deferred tax

Deferred tax is provided, using the liability method, on all temporary differences, with certain exceptions, at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred income tax liabilities are recognized for all taxable temporary differences, with certain exceptions. Deferred tax assets are recognized for all deductible temporary differences, carryforward benefits of unused tax credits from excess of minimum corporate income tax (MCIT) over the regular corporate income tax (RCIT) and unused net operating loss carryover (NOLCO), to the extent that it is probable that taxable income will be available against which the deductible temporary differences and carryforward benefits of MCIT and NOLCO can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilized. Unrecognized deferred tax assets are reassessed at each reporting date and are recognized to the extent that it has become probable that future taxable profit will allow the deferred tax assets to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the year when the asset is realized, or the liability is settled, based on tax rate (and tax laws) that have been enacted or substantively enacted at the reporting date. Income tax relating to items recognized directly in equity are recognized in equity and not in the statement of revenues and expenses.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same tax authority.

Value-added Tax (VAT)

Expenses and assets are recognized, net of the amount of VAT, except:

- When the VAT incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the VAT is recognized as part of the cost of acquisition of the asset or as part of the expense item, as applicable
- When receivables and payables are stated with the amount of VAT included.

The net amount of VAT recoverable from, or payable, to the taxation authority is included as part of assets or payables in the statement of financial position.

Provisions

A provision is recognized only when the Club has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessment of the time value of money and, where appropriate, the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as interest expense. Provisions are reviewed at each report date and adjusted to reflect the current best estimate.

Contingencies

Contingent liabilities are not recognized in the financial statements. They are disclosed in the notes to financial statements, unless the possibility of an outflow of resources embodying economic benefits is remote. Contingent assets are not recognized in the financial statements but disclosed in the notes to financial statements when an inflow of economic benefits is probable.

Events after the Reporting Date

Any post year-end event up to the date of the auditor's report that provide additional information about the Club's position at the reporting date (adjusting event) is reflected in the financial statements. Any post year-end event that is not an adjusting event is disclosed, when material, in notes to the financial statements.

3. Material Accounting Judgments and Estimates

The preparation of the Club's financial statements in compliance with PFRS Accounting Standards requires management to make judgments, estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Future events may occur which can cause the assumptions used in arriving at those estimates to change. The effects of any changes in judgments and estimates will be reflected in the financial statements as they become reasonably determinable. Judgments and estimates are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Judgment

In the process of applying the Club's accounting policies, management has made the following judgments, apart from those involving estimations, which have the most significant effects on the amounts recognized in the financial statements:

Identification of contracts with customers under PFRS 15

The Club applies PFRS 15 guidance to a portfolio of contracts with similar characteristics as the Club reasonably expects that the effects on the financial statements of applying this guidance to the portfolio would not differ materially from applying this guidance to the individual contracts within that portfolio. Hence, the Club viewed each transaction receipt as one contract.

Identifying performance obligations

The Club identifies performance obligations by considering whether the promised goods or services in the contract are distinct goods or services. A good or service is distinct when the customer can benefit from the good or service on its own or together with other resources that are readily available to the customer and the Club's promise to transfer the good or service to the customer is separately identifiable from the other promises in the contract.

Determining whether the Club is acting as a principal or agent

The Club assesses its revenue arrangements against specific criteria in order to determine if it's acting as principal or agent. The following criteria indicate whether the Club is acting as a principal or an agent:

- The Club has the primary responsibility for providing services to the members;
- The Club has latitude in establishing price, either directly or indirectly, for example by providing additional services; and,
- The Club bears the member's credit risk for the amount receivable from the member.

The Club has concluded that generally, it is acting as a principal in its revenue arrangements.

Finance lease classifications - the Club as lessee

The Club's classification of a lease depends on the substance of the transaction rather than the form of the contract. The following situations individually or in combination would normally lead to a lease being classified as a finance lease:

- the lease transfers ownership of the asset to the lessee by the end of the lease term;
- the lessee has the option to purchase the asset at a price which is expected to be sufficiently lower than the fair value at the date the option becomes exercisable such that, at the inception of the lease, it is reasonably certain that the option will be exercised (frequently called a 'bargain purchase' option);
- the lease term is for the major part of the economic life of the asset even if title is not transferred;
- at the inception of the lease the present value of the minimum lease payments amounts to at least
- substantially all of the fair value of the leased asset; and
- the leased assets are of a specialized nature such that only the lessee can use them without major modifications being made.

The Club has assessed its agreement with Engie Services for the installation, operation and maintenance of chilled water supply for the Club's air-conditioning system. The Club has concluded that it has acquired significantly all the risks and rewards of ownership of the equipment and accounted the agreement as a finance lease (see Note 19).

Evaluation of impairment on nonfinancial assets

The Club assesses asset impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. The Club considers the following factors, which could trigger an impairment review, as important:

- Significant underperformance relative to expected historical or projected future operating results;
- Significant changes in the manner of use of the acquired assets or the strategy for overall business; and,
- Significant negative industry or economic trends.

In determining the present value of estimated future cash flows expected to be generated from the continued use of the assets, the Club is required to make estimates and assumptions that can materially affect the financial statements.

As of December 31, 2024 and 2023, the Club assessed that there are no impairment indicators on its nonfinancial assets that would lead to recognition of impairment losses.

Recognition of deferred tax assets

The Club reviews the carrying amounts of deferred tax assets at each reporting date and reduces it to the extent that it is no longer probable that sufficient income will be available to allow all or part of the deferred tax assets to be utilized. However, there is no assurance that the Club will generate sufficient future taxable profit to allow all or part of its deferred income tax assets to be utilized.

As of December 31, 2024 and 2023, the Club recognized deferred tax assets, to the extent of recognized deferred tax liabilities, amounting to ₱3.81 million and ₱4.49 million, respectively.

Since management believes that it is likely that the carryforward benefit of recognizing deferred tax assets may not be utilized, the Club did not recognize deferred tax assets on the tax effect of the balance of temporary differences related to retirement liabilities, allowance for expected credit losses, contract liabilities, NOLCO and MCIT as disclosed in Note 16.

Use of Estimates and Assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

Provision for expected credit losses of contract receivables

The Club uses a provision matrix to calculate ECLs for contract receivables. The provision rates are based on days past due. The provision matrix is initially based on the Club's historical observed default rates. The Club calibrates the matrix to adjust the historical credit loss experienced with forward-looking information. At every financial reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

The assessment of the correlation between historical observed default rates, forecast economic conditions (e.g., gross domestic product and inflation rate) and ECLs is a significant estimate. The amount of ECLs is sensitive to changes in circumstances and of forecast economic conditions. The Club's historical credit loss experience and forecast of economic conditions may also not be representative of member's actual default in the future. The Club also considers the preferential lien on the Club share owned by the member, including the timing of re-sale of the covered share and related costs, in determining the expected net recoveries.

As of December 31, 2024 and 2023, the allowance for expected credit losses amounted to \$\frac{1}{2}.66\$ million (see Note 5).

Estimating useful lives of property and equipment

The Club estimates the useful lives of its property and equipment based on the period over which these assets are expected to be available for use. The EUL of property and equipment are reviewed at least annually and are updated if expectations differ from previous estimates due to physical wear and tear, and technical or commercial obsolescence on the use of these assets. It is possible that future results of operations could be materially affected by changes in estimates brought about by changes in factors mentioned above. There were no changes on the EUL of the property and equipment in 2024 and 2023.

As of December 31, 2024 and 2023, the carrying value of property and equipment (except land) amounted to \$\pm\$358.72 million and \$\pm\$368.51 million, respectively (see Note 8).

4. Cash and Cash Equivalents

	2024	2023
Cash on hand	₱902,000	₽802,000
Cash in banks	88,155,448	81,804,728
Cash equivalents	96,634,688	50,524,872
	₱185,692,136	₽ 133,131,600

Cash in banks earn interest at the prevailing bank deposit rates.

Cash equivalents include short-term placement made during the year for period of three months based on the immediate cash requirements of the Club and earned annual interest ranging from 4.88% to 6.00% and 3.75% to 4.88% in 2024 and 2023, respectively.

Interest income earned from cash in bank and cash equivalents amounted to ₱3.33 million, ₱1.62 million and ₱0.38 million in 2024, 2023 and 2022, respectively (see Notes 10 and 15).

There is no cash restriction on the Club's cash balances as at December 31, 2024 and 2023.

5. Contract Receivables

	2024	2023
Receivables from:		
Members (Note 10)	₱31,809,070	₽39,103,711
Banquet sales	4,568,340	7,112,728
Credit cards	2,694,186	1,218,945
Others	2,072,885	2,272,075
	41,144,481	49,707,459
Less allowance for expected credit losses	2,663,460	2,663,460_
	₽38,481,021	₱47,043,999

These receivables are collectible within a year. Receivables from members are collateralized by a preferential lien on the Club shares owned by the members.

"Others" consists of advances made to employees for sickness and maternal benefits and other miscellaneous receivables which are collectible within a year.

In 2024, the Club directly wrote off the balance of long-outstanding receivables from delinquent members amounting to ₱6.19 million which were assessed to be no longer recoverable (see Note 14).

No additional provision for expected credit losses were recognized in 2024 and 2023.

6. Inventories

	2024	2023
Food	₽12,077,591	₽12,906,836
Beverage	2,217,012	2,192,555
Operating supplies	2,103,097	1,710,397
Others	428,929	347,648_
	₽16,826,629	P17,157,436

[&]quot;Others" represents items and other goods for sale in the Club shop and Palms Deli.

Inventories are carried at cost. There are no inventories whose NRV are below its cost as of December 31, 2024 and 2023.

Cost of inventories charged to cost of sales amounted to ₱170.58 million, ₱161.18 million and ₱119.07 million in 2024, 2023 and 2022, respectively (see Note 13).

7. Other Current Assets

	2024	2023
Creditable withholding tax	₽2,599,563	₽3,038,496
Advances to suppliers	1,044,778	1,615,404
Others	1,223,039	811,266
	₽4,867,380	₽ 5,465,166

Creditable withholding tax (CWT) pertains to the amount withheld by certain customers from their payments to the Club. This will be claimed as tax credit and will be used against future income tax payable. The Club applied CWTs against income tax payable amounting to \$\mathbb{P}2.43\$ million and \$\mathbb{P}0.45\$ million in 2024 and 2023, respectively.

"Others" consists of deposits to health maintenance organization, deposit to suppliers, and advances to employees which are expected to be realized within one year.

Membership dues received in advance are recognized as income over the period when these are due.

Banquet deposits are recognized as revenue when the related services are rendered.

10. Related Party Transactions

The Club has entered into various transactions with related parties. Parties are related if one party has the ability, directly or indirectly, to control the other party in making financial and operating decisions or the parties are subject to common control or common significant influence (referred to as affiliates). Related parties may be individuals or corporate entities.

[&]quot;Others" under "Accrued expenses" include accruals for operating expenses such unapplied service charges and consigned merchandises. These are normally paid within one year.

[&]quot;Deposits" mainly pertain to various deposits from suppliers and bank credits.

[&]quot;Members' cash bond" pertains to cash receipts from assignees for a specific period of time. This is renewable at the end of the assignment contract which is usually on an annual basis.

Significant related party transactions are as follows:

- a) The Club has receivables from its affiliates as members of the Club for which it bills monthly membership dues and use of facilities. These affiliates include entities affiliated with FAI, the developer.
- b) The Club maintains cash in banks and cash equivalents with a bank affiliated with FAI. Cash in banks and cash equivalents earn interest at the prevailing market rates (see Note 4).
- c) The Club has obtained and made various advances for maintenance, utilities, payroll, and other expenses from and to FAI, its developer. The outstanding balances are presented under "Due to related parties" in the statements of financial position.

The details of the account balances and transactions with related parties are as follows:

Compensation of key management personnel in the form of short-term employee benefits amounted to ₱8.35 million, ₱7.40 million and ₱7.00 million in 2024, 2023 and 2022, respectively, and post-employment benefits amounted to ₱0.56 million, ₱0.51 million and ₱0.43 million in 2024, 2023 and 2022, respectively.

Terms and conditions of transactions with related parties

The Club, in its regular conduct of business, has entered into transactions with related parties consisting of receivables and payables in relation to the operating needs of the parties. These are based on terms agreed by the parties.

Outstanding balances at year-end are unsecured, noninterest-bearing and settlement occurs in cash, unless otherwise indicated. There have been no guarantees provided or received for any related party receivables or payables. The Club does not provide any allowance relating to receivable from related parties in prior years. There are also no ECL recognized in current year for related party receivables since there are no history of default payments. This assessment is undertaken each financial year through examining the financial position of the related parties and the markets in which the related parties operate.

11. Capital Stock

As of December 31, 2024, 2023 and 2022, the Club's authorized and fully paid capital stock consists of five classes of common shares, with no par value, as follows:

	Shares	Amount
Class A shares	1,900	2 915,109,926
Class B shares	250	120,270,900
Class C shares	150	72,312,695
Class D shares	2,293	2,293,000
Founders' shares	7	7,000
	4,600	₱1,109,993,521

All classes of shares entitle the holders to one vote for each share in any and all regular and special meetings of shareholders.

Class A shares are available to natural persons and entitle the holder to membership in the Club and to the use and enjoyment of the Club's facilities. Class A shares are likewise available to juridical persons and entitle the holders to name one nominee for membership in the Club and to use and enjoy the facilities of the Club.

Class B shares are available only to juridical persons and entitle the holder to name two nominees for membership in the Club and to use and enjoy the facilities of the Club.

Class C shares are only available to juridical persons and entitle the holder to name three nominees for membership in the Club and to use and enjoy the facilities of the Club.

Holders of Class D shares are not entitled to the use and enjoyment of the Club's facilities. Correspondingly, Class D shares are to be excluded in the computation and assessment of membership fees, dues and other payments relative to the operation and maintenance of the Club. Upon liquidation of Class D shares, the holders will be reimbursed only to the extent of the original acquisition of the shares amounting to \$\frac{1}{2}\$.30 million.

Founders' shares shall have the exclusive right to vote and be voted for in the election of directors for five years from and after the date of registration of the Articles of Incorporation. Thereafter, holders of Founders' shares shall have the same voting rights and privileges as holders of Class A shares.

The Club shall not issue shares of stock, which will reduce the stock ownership of Philippine citizens to less than 60% of the outstanding capital stock. No holder of any class of shares shall have any.

The shares held by FAI and its respective nominees for the founders' shares or held by the Club are non-obligatory or participating.

On May 24, 2000, the SEC approved the registration of the 4,600 no par value shares.

Below is the summary of outstanding number of shares and holders of security as of December 31, 2024, 2023 and 2022:

	Number of	Number of Holders of
Year	Shares Registered	Securities as of Year End

On September 30, 2020, the BIR issued Revenue Regulations No. 25-2020 implementing Section 4(bbbb) of the Republic Act No. 11494, otherwise known as the Bayanihan to Recover as One Act ("Bayanihan 2 Act") which states that the NOLCO incurred for taxable years 2020 and 2021 can be carried over and claimed as a deduction from gross income for the next five (5) consecutive taxable years immediately following the year of such loss. NOLCO incurred before taxable year 2020 can be claimed as deduction from the regular taxable income for the next three (3) years immediately following the year of such loss.

The carryforward benefits of NOLCO which can be claimed as deductions from the regular taxable income, and MCIT which can be claimed as deduction from income tax due are as follows:

Year Incurred	NOLCO	MCIT	Expiry Date
2024	₱13,126,791	₽2,430,523	December 31, 2027

17. Retirement Benefits

The Club has a noncontributory, unfunded defined benefit pension plan covering substantially all of its regular employees. The benefits are based on years of service and compensation on the last year of employment.

The Club updates the actuarial valuation every year by hiring the services of a third party professionally qualified actuary. The latest actuarial valuation report for the retirement plan was carried out for the Club as of December 31, 2024.

The retirement benefit costs included in the "Payroll" account follow (see Notes 13 and 14):

	2024	2023	2022
Current service cost	₽1,162,607	₱940,216	₽997,318
Interest cost	644,715	591,987	465,993
	₽1,807,322	₽1,532,203	₱1,463,311

The roll-forward analysis of the present value of defined benefit obligation recognized in the statements of financial position follows:

	2024	2023	2022
Balance at beginning of year	₱11,132,508	₽8,955,049	₱9,922,492
Current service cost	1,162,607	940,216	997,318

Balance at end of year	₱15,28 <u>0,179</u>	₽11,132,508	₽8,955,049

The assumptions used to determine pension benefits of the Club are as follows:

	2024	2023	2022
Discount rate	6.09%	6.12%	7.30%
Salary increase rate	6.00%	4.00%	4.00%

The sensitivity analyses below have been determined based on reasonably possible changes of each significant assumption on the defined benefit obligation as of the end of the reporting period, assuming all other assumptions were held constant.

	Increase		
	(Decrease)	2024	2023
Salary increase rate	+1.00%	₱2,065,950	₱1,443,698

The average duration of the expected benefit payments at the end of the reporting period is 16.86 years.

18. Financial Instruments

The carrying values of the Club's recognized financial assets and financial liabilities approximate their estimated fair values as of December 31, 2024 and 2023 because these are short-term in nature.

The Club's principal financial instruments are cash and cash equivalents, contract receivables, due from related parties, accounts and other payables, due to related parties and lease liabilities. The main purpose of these financial instruments is to finance the Club's operations.

The main objectives of the Club's financial risk management are as follows:

- To identify and monitor such risks on an ongoing basis;
- To minimize and mitigate such risks; and
- To provide a degree of certainty about costs.

The main risks arising from the Club's financial assets are credit risk and liquidity risk. The Club's risk management policies are summarized below:

Credit risk

The Club trades only with recognized members and creditworthy third parties. It is the Club's practice that all members and third parties who wish to trade on credit terms are subject to credit verification procedures. Receivable balances are monitored on an ongoing basis. Receivables from members are collateralized by a preferential lien on the Club shares owned by them.

^{*}Excluding cash on hand.

The Club's financial assets classified as "neither past due nor impaired" are high grade receivables that pertain to receivables from members, related parties and third parties which, based on experience, are highly collectible or collectible on demand and of which exposure to bad debt is not significant.

Liquidity risk

The Club monitors its cash flow position and overall liquidity position in assessing its exposure to liquidity risk. The Club maintains a level of cash deemed sufficient to finance operations and to mitigate the effects of fluctuation in cash flows.

The following table summarizes the maturity profile of the Club's financial assets held to manage liquidity as of December 31 based on contractual undiscounted payments:

19. Lease Commitments

On April 21, 2016, the Club entered into an agreement with Engie Services (Philippines) (Engie, formerly known as Cofely Philippines) wherein Engie will operate and maintain installations that will supply chilled water to the Club for a period of 10 years. The terms of the agreement require the Club to make monthly fixed payments of ₹246,000, exclusive of VAT, from the date of the agreement until the date of completion of testing and commissioning of the chilled water installations.

Upon completion of testing and commissioning, the Club is required to make fixed monthly payments of \$\mathbb{P}622,000\$, exclusive of VAT, for 10 years, representing the fixed period charges of the Club for the use of the chilled water.

The agreement further stipulates that Engie will initially shoulder the cost of the installations for the chilled water supply owned by the Club and Engie will bill the Club for its share of the cost of the installations. Engie shall transfer the possession of the Club's share of the installations upon completion of testing and commissioning.

The installations were completed in February 2017.

Among other stipulations on the contract, the Club has determined that the arrangement is effectively a finance lease arrangement because eventual ownership will transfer to the Club.

Engie billed the Club effective March 18, 2017, which also served as the commencement date for the full operation of the installations. The total minimum lease payments over the term of the agreement, which is 10 years, amounted to \$\frac{P}{4}1.46\$ million. In addition, the Club made downpayments amounting \$\frac{P}{2}2.49\$ million. The related finance cost on the agreement that is accreted over the 10-year term which is the difference between the \$\frac{P}{9}7.13\$ million and \$\frac{P}{4}1.46\$ million amounted to \$\frac{P}{5}5.67\$ million. The unamortized finance cost as of December 31, 2024 and 2023 amounted to \$\frac{P}{1}6.80\$ million and \$\frac{P}{2}4.26\$ million, respectively. Total interest expense recognized on this obligation under finance lease amounted to \$\frac{P}{4}.85\$ million and \$\frac{P}{5}.68\$ million in 2024 and 2023, respectively, and these were reported under "Lease charges" in the Club's statements of revenues and expenses.

The present value of the obligation under finance lease amounted to ₱11.13 million and ₱13.74 million as of December 31, 2024 and 2023, respectively (see Note 18).

The carrying value of the Club's finance lease asset (under sports, kitchen and other facilities and equipment) amounted to ₱25.39 million and ₱27.45 million as of December 31, 2024 and 2023, respectively (see Note 8).

The future minimum rental payments pertaining to the finance lease as of December 31 are as follows:

	2024	2023
Within one year	₽7,464,000	₽7,464,000
After one year but not more than five years	15,523,361	16,794,000
	₽22,987,361	₽24,258,000

20. Contingencies

The Club is involved in a certain administrative proceeding. The Club, in collaboration with outside legal counsel handling defense, as the case may be, does not believe that this proceeding will have a material adverse effect on its financial position and performance. It is possible, however, that future financial performance could be materially affected by changes in the estimates or in the effectiveness of strategies relating to this. No accruals were made in relation to this proceeding.

PART I – FINANCIAL INFORMATION

Item 1. Financial Statements

Please refer to the attached Interim Statement of Financial Position, Statement of Revenue and Expense, Statement of Changes in Stockholder's Equity, Statement of Cash Flow and Notes to Financial Statements referred to as Annex A.

The attached Interim Financial Statements have been prepared in compliance with Philippine Financial Reporting Standards (PFRS) and, we disclose the following information:

- a) The same accounting policies and methods of computation are followed in the interim financial statements as compared with the December 31, 2024 Audited financial statements.
- b) There have been no unusual items affecting assets, liabilities, equity or cash flow.
- c) There have been no changes in estimates of amounts reported in prior financial year.
- d) There have been no issuances, repurchases and repayments of debt and equity security.
- e) The Club, being a non-profit organization will not be declaring any dividend. Reference is made to the Articles of Incorporation and By-Laws as amended.
- f) There have been no material event subsequent to the end of the interim period that have not been reflected in the financial statements for the interim period.
- g) There has been no change in the composition of the issuer during the period.
- h) There have been no contingent liabilities or contingent assets provided ever since.
- i) There have been no material contingencies and other events or transactions that are material to an understanding of the current interim period.

Item 2. Management's Discussion and Analysis of Financial Condition.

Revenue generated for the first quarter ending March 31, 2025 was \$\mathbb{P}121.5\$ million compared to \$\mathbb{P}116.0\$ million of the same periods in 2024 and \$\mathbb{P}105.6\$ million in 2023. Compared to year 2024, total revenue in food and beverage increased by 2.1%, membership dues increased by 13.9%, sports and recreation increased by 10.6%, while club shop and others decreased by 9.1%. Overall increase in revenues compared to year 2023 was 15%.

Total direct cost was ₱83.0 million in the first quarter compared to ₱80.3 million in the same period of year 2024 and ₱70.2 million in 2023. In terms of percentage, total direct cost by the end of the first quarter was 68.4% compared to last year's 69.2% and 66.5% in 2023. Food and Beverage cost contributed 33.9%, payroll cost at 17.3%, utilities and supplies at 8.7% and the rest at 4.5%. Compared to year 2024, total direct cost increased by ₱2.7 million mainly due to increased business, resulting to increase in operating expenses. Payroll cost increased by 6%.

Non-revenue departments such as administrative, depreciation, engineering and housekeeping showed an increase of 24.5% for the first quarter ending March 31, 2025. From ₱30.8 million in 2024, it posted an

increase of P7.6 million in 2025 mainly due to an increase in various operating costs such as migration to new club operating system, contract services, operating supplies, payroll, credit card fees and various engineering repairs compared to year 2024.

As of March 31, 2025, revenues over cost and expenses before other income and finance lease was an income of P27 thousand compared to P4.8 million of same period of the previous year. Finance lease cost decreased by 19.9% while other income increased by 124.8%.

Total net income at the end of the first quarter of 2025 was \$\P\$1.5 million compared to net income of \$\P\$4.7 million in same periods of 2024 and \$\P\$7.4 million in 2023. Net income reported in first quarter 2025 was lower compared to same period last year due to higher F&B costs, payroll expenses, administrative, general and engineering expense.

In April 2024, the Club increased the monthly membership dues from \$\mathbb{P}4,000.00\$ to \$\mathbb{P}4,500.00\$. The increase was necessary to upgrade to a more efficient Club management software and operating system, to address rising labor costs due to industry standardization, government-mandated wage increases and statutory contributions, to comply with the 20% senior citizen discount and the 12% value-added tax exemption, and additional expenditures on Club improvements to enhance the member experience. This adjustment resulted in a considerable boost to overall membership revenue figures for the first quarter 2025, as compared to same period last year.

Total number of members as of March 31, 2025 was 2300 or an increase of 6 members from 2294 as of December 31, 2024. For the first three months of 2025, the Club has noted 8 Class A and 1 Class C secondary transfers.

Total asset as at March 31, 2025 was \$\P\$1.010 billion compared to \$\P\$1.030 billion as at December 31, 2024 or a decrease of \$\P\$20.4 million. This is mainly due to the decrease in cash and due from related parties. Cash decreased by \$\P\$37.5 million due to payments to suppliers and other accounts payables and contract liabilities. Meanwhile, contract receivable, inventories and advances to suppliers increased by \$\P\$2.5 million, \$\P\$.8 million and \$\P\$1.8 million, respectively. Other current assets increased by \$311.7% or \$\P\$11.9 million due to the prepayments of property taxes, licenses, permits and association dues. Net book value of property and equipment increased by \$\P\$.7 million mainly due to the additional improvements and various acquisitions of property and equipment amounting to \$\P\$9.3 million and additional depreciation expense amounting to \$\P\$8.6 million for the first three months of 2025.

Total current liabilities amounted to ₱109.8 million as at March 31, 2025 and ₱130.9 million as at December 31, 2024 or a decrease of ₱21.1 million or 16.1%. Accounts and other payables decreased to ₱72.0 million from last year's ₱90.3 million or a 20.2% decrease. This is due to payments made to suppliers and manning agencies. Contract liabilities decreased by 10.0% or ₱3.7 million. Included in the Contract liabilities are events deposits and advance membership dues of members. Advance monthly dues are applied as they mature. Due to related party increased by ₱.4 million from ₱.08 million in December 2024 to ₱.51 million by March 31, 2025.

Net Income reported as of March 31, 2025 was ₱1.5 million, while ₱4.7 million in 2024 and ₱7.4 million in same period in 2023.

With a capital stock of P1.1 billion, stockholders' equity as at March 31, 2025 increased to P878.9 million from P877.4 million as at December 31, 2024 and P861.7 million as at December 31, 2023.

There are no events known to the Club that will trigger any material financial obligation including any default or acceleration of obligation.

There are no known trends, demands, commitments, events or uncertainties that will have a material impact on its liquidity.

In its 2024 annual report, the Club reported several improvements and various acquisitions of property and equipment. These expenditures primarily stemmed from the acquisition of company service vehicle, final payments for the 2-unit members' elevator, AHU chilled water-cooling system for Café Asiana, purchase of central kitchen's walk-in chiller and freezer, new kitchen equipment, various sports & gym equipment and building improvements. These new equipment and acquisitions and major repairs were undertaken to uphold and enhance the quality of facilities and services provided to the members. Funds for these were derived solely from operations.

There are no seasonal aspects that had material effects on the financial condition or results of operations of the Club.

Part II - OTHER INFORMATION

Except as disclosed in the Management's Discussion and Analysis of Financial Condition and Results of Operation, there are no unusual items affecting assets, liabilities, equity, net income or cash flows for the period. There are also no material events subsequent to the period under review up to the date of this report.

THE PALMS COUNTRY CLUB, INC.

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

Basis of Preparation

The financial statements have been prepared under the historical cost basis and are presented in Philippine Peso (P) which is the Club's functional currency. All values are rounded to the nearest Peso, except when otherwise indicated.

Statement of Compliance

The accompanying financial statements of the Club have been prepared in compliance with Philippine Financial Reporting Standards (PFRS).

Accounting Policies

Cash and Cash Equivalents

Cash includes cash on hand and in banks. Cash in banks earn interest at the prevailing bank deposit rates.

Financial Assets and Liabilities

Financial assets and financial liabilities are recognized initially at fair value. Transaction costs are included in the initial measurement of all financial assets and liabilities, except for financial instruments measured at fair value through profit or loss (FVPL)

The club recognizes a financial asset or financial liability in the balance sheets when it becomes a party to the contractual provisions of the instrument

Loans and Receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Such assets are carried at cost using the effective interest method. Gains and losses are recognized in the statements of revenue and expenses when loans and receivables are derecognized or impaired, as well as through the amortization process.

Loans and receivables are classified as current when these are expected to be realized within twelve months from the reporting date. Otherwise, these are classified as noncurrent assets.

This category includes the Club's cash and receivables.

Other Financial Liabilities

Other financial liabilities are non-derivative financial liabilities with fixed or determinable payments that are not quoted in an active market. These liabilities are carried at cost or amortized cost in the balance sheet. Amortization is determined using the effective interest method.

Included in this category are the Club's trade and other payables and due to a related party.

Impairment of Financial Assets

An assessment is made at each reporting date as to whether there is objective evidence that a financial asset or group of financial assets may be impaired. If such evidence exists, any impairment loss is recognized in the statement of revenues and expenses.

Inventories

Inventories are valued at the lower of cost or net realizable value (NRV). NRV is the estimated selling price in the ordinary course of business less estimated costs necessary to make the sale. Cost is determined using the first-in, first-out method.

Property and Equipment

Property and equipment consist of land and land improvements, buildings and facilities and equipment. Except for land, the Club's property and equipment are stated at cost less accumulated depreciation and amortization and impairment in value, if any. Land is stated at cost less any impairment in value.

The initial cost of property and equipment consists of its purchase price, including import duties, taxes and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditures incurred after the assets have been put into operation, such as repairs and maintenance, are normally charged to operations in the period in which the costs are incurred. In situations where it can be clearly demonstrated that the expenditures have resulted in an increase in the future economic benefits expected to be obtained from the use of an item of property and equipment beyond its originally assessed standard of performance, the expenditures are capitalized as an additional cost of property and equipment. When assets are sold or retired, their cost and accumulated depreciation and amortization are eliminated from the accounts and any gain or loss resulting from their disposal is included in the statement of revenues and expenses.

Depreciation and amortization are calculated on a straight-line basis over the estimated useful life of the related assets as follows:

Land improvements	10 years
Building	40 years
Sports, kitchen and other facilities and equipment	5 to 10 years

The Club estimates the useful lives of its property and equipment based on the period over which these assets are expected to be available for use. The useful lives and depreciation and amortization methods are reviewed periodically based on factors that include asset utilization, internal technical evaluation, technological changes, environmental and anticipated use of the assets tempered by related industry benchmark information. It is possible that future results of operations could be materially affected by the changes in the factors mentioned. A reduction in the estimated useful lives of property and equipment would increase depreciation and amortization expenses and decrease property and equipment.

Retirement Benefit Costs

Pension costs are actuarially computed using the projected unit credit valuation method. Under this method, the current service cost is the present value of retirement benefits payable in the future with respect to the services rendered in the current period. Actuarial valuations are conducted with sufficient regularity, with option to accelerate when significant changes to underlying assumptions occur.

Revenue Recognition

Revenue is recognized when it is probable that the economic benefits associated with the transaction will flow to the Club and the amount of revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized.

Membership dues

Membership dues to support the operation and maintenance of the Club are billed one month in advance and are credited to operations in the period to which the dues apply.

Collections for accounts which are not yet due and therefore do not qualify for revenue recognition are recorded as "Membership dues paid in advance" in the liabilities section of the financial position.

Food & Beverage

Revenue from sale of food and beverages are recognized when served.

Sports & Recreation

Revenue from sports and recreation are recognized when services have been rendered.

Club Shop & others

Revenue is recognized when the risk and rewards of ownership of the goods have passed to the buyer.

Interest Income

Interest income is recognized as it accrues taking into account the effective yield on the asset.

Equity

Capital Stock is measured at stated price for all shares issued.

'Accumulated deficiency of revenues and membership dues over cost and expenses' represents accumulated losses and earning and any adjustment arising from application o new accounting standard, policies or corrections of errors applied retroactively by the Club.

Cost and Expenses

"Direct costs" and "operating expenses" are expenses that arise in the course of the ordinary operations of the Club. Direct costs and operating expenses are expensed as incurred.

Provisions

A provision is recognized only when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

Contingencies

Contingent liabilities are not recognized in the financial statements. They are disclosed unless the possibility of an outflow of resources embodying economic benefits is remote.

A contingent asset is not recognized in the financial statements but disclosed when an outflow of economic benefit is probable.

The land forms part of Lot 392 of the Muntinlupa Estate in the name of the Republic of the Philippines and developed by Filinvest Alabang, Inc. (the developer referred to in Note 10) into what is now known as the Filinvest Corporate City (FCC). Lot 392 was the subject matter of Civil Case Nos. 99-075 and 99-320 for annulment of titles and contracts, considered to be nuisance suits. In its Resolution dated July 30, 2007, the Supreme Court affirmed the dismissal of Civil Case No. 99-075 by the trial court and Court of Appeals. On the other hand, the trial court has required the plaintiffs in Civil Case No. 99-320 to pay the docket fees correspond ding to the value of the property subject of this case. As of December 31, 2009, the plaintiffs have not done so. Accordingly, counsel of FAI filed in February 2009 a "Motion to Dismiss" praying that the case be dismissed with prejudice. The motion to dismiss was granted on November 19, 2009.

9. Related Party Transactions

The Club has entered into various transactions with related parties. Parties are considered to be related if one party has the ability, directly or indirectly, to control the other party in making financial and operating decisions or the parties are subject to common control or common significant influence (referred to as affiliates).

Transactions entered into by the Club with related parties are at arm's length and have terms equivalent to the transactions entered into with third parties.

Significant related party transactions follow:

- a) The Club has trade receivables from its affiliates as members of the Club for which it bills monthly membership dues and use of facilities. These affiliates include entities with FAI, the developer.
- b) The Club maintains cash in bank account with Eastwest Banking Corporation (EWB), a bank affiliated with FAI. Cash in bank earns interest at the prevailing market rates.
- The Club has trade payables for Filinvest City maintenance and utilities from FAI, its developer.

As at March 31, 2025 and December 31, 2024, the Club's due to related parties is amounting to P.51 million and P.08 million, respectively.

10. Capital Stocks

The club's Capital Stocks consist of five classes of common, no par value shares as follows:

	Mar. 31, 2025	Dec. 31,2024
Class A Shares		
Authorized and paid - 1,900 shares	915,109,926	915,109,926
Class B shares		
Authorized and paid - 250 shares	120,270,900	120,270,900
Class C shares		
Authorized and paid - 150 shares	72,312,695	72,312,695
Class D shares		
Authorized and paid - 2,293 shares	2,293,000	2,293,000
Founder shares		
Authorized and paid - 7 shares	7,000	7,000
	1,109,993,521	1,109,993,521

All classes of shares entitle the holders to one vote for each share in any and all regular and special meetings of shareholders.

Class A shares are available to natural persons and entitle the holder to membership in the Club and to the use and enjoyment of the Club's facilities. Class A shares are likewise available to juridical persons and entitle the holders to name one nominee for membership in the Club to use and enjoy the facilities of the Club.

Class B shares are available only to juridical persons and entitle the holder to name two nominees for membership in the Club and enjoy the facilities of the Club. Class C shares are available only to juridical persons and entitle the holder to name three nominees for membership in the Club and enjoy the facilities of the Club.

Holders of Class D shares are not entitled to the use and enjoyment of the Club's facilities. Correspondingly, Class D shares are to be excluded in the computation and assessment of membership fees, dues and other payments relative to the operation and maintenance of the Club.

Founder's shares shall have the exclusive right to vote and be voted for in the election of directors for five years from and after the date of the registration of the Articles of Incorporation. Thereafter, the holders of the Founder's shares shall have the same voting rights and privileges as holders of Class A shares.

The Club shall not issue shares of stock, which will reduce the stock ownership of Philippine citizens to less than 60% of the outstanding capital stock. No holder of any class of shares shall have any pre-emptive right to acquire, purchase or subscribe to any share of the club of any class.

The shares held by FAI and its respective nominees for the founder's shares or held by the Club are non-obligatory or participating.

Subscription Agreement with a Developer

Under the terms of the subscription agreement between FAI (Developer) and the Club, dated September 14, 2000, as amended on October 20, 2000, the Developer undertook the following:

- Ceded, transferred, assigned and delivered to the Club a parcel of land at Filinvest Corporate City with an area of 30,000 square meters valued at ₱14,000 per square meter or a total of ₱420.0 million in exchange for 867 Class "A" shares, 115 Class "B" shares and 68 Class "C" shares, or a total of 1,050 shares valued at ₱400,000 per share.
- Developed the above property into a world class sports and country club including facilities and equipment necessary to operate the Club in exchange for 1,033 Class "A" shares, 135 Class "B" shares and 82 Class "C" shares, or a total of 1,250 shares valued at \$\mathbb{P}400,000\$ per share or \$\mathbb{P}500.0\$ million. Property development cost amounting to \$\mathbb{P}687.7\$ million was initially credited to advances from developer pending final turnover and acceptance of the developed property.

In 2004, the corresponding shares of stock were issued to the Developer upon final acceptance of the property by the Club. Accordingly, the amount of advances from developer of P687.7 million was credited as Capital Stock.

- Paid in cash the amount of ₱2.3 million in exchange for 2,292 Class "D" shares at P1,000 per share.
- The documentary stamp and other taxes arising from capital stock transactions under the subscription agreement are for the account of the Developer.

PART I – FINANCIAL INFORMATION

Item 1. Financial Statements

Please refer to the attached Interim Statement of Financial Position, Statement of Revenue and Expense, Statement of Changes in Stockholder's Equity, Statement of Cash Flow and Notes to Financial Statements referred to as Annex A.

The attached Interim Financial Statements have been prepared in compliance with Philippine Financial Reporting Standards (PFRS) and, we disclose the following information:

- a) The same accounting policies and methods of computation are followed in the interim financial statements as compared with the December 31, 2024 Audited financial statements.
- b) There have been no unusual items affecting assets, liabilities, equity or cash flow.
- c) There have been no changes in estimates of amounts reported in prior financial year.
- d) There have been no issuances, repurchases and repayments of debt and equity security.
- e) The Club, being a non-profit organization will not be declaring any dividend. Reference is made to the Articles of Incorporation and By-Laws as amended.
- f) There have been no material event subsequent to the end of the interim period that have not been reflected in the financial statements for the interim period.
- g) There has been no change in the composition of the issuer during the period.
- h) There have been no contingent liabilities or contingent assets provided ever since.
- i) There have been no material contingencies and other events or transactions that are material to an understanding of the current interim period.

Item 2. Management's Discussion and Analysis of Financial Condition.

Revenue generated for the second quarter ending June 30, 2025 was \$\mathbb{P}\$117.8 million compared to \$\mathbb{P}\$117.4 million of the same periods in 2024 and \$\mathbb{P}\$103.9 million in 2023. Compared to 2024, Food and Beverage revenue decreased by 4.0%, while Membership Dues increased by 2.0%, Sports and Recreation by 8.9%, and Club Shop and Others by 27.3%. Overall revenue grew by 13.5% compared to 2023.

Total direct cost was ₱85.8 million in the second quarter compared to ₱80.0 million in the same period of year 2024 and ₱74.0 million in 2023. In terms of percentage, total direct cost by the end of the second quarter was 72.8% compared to last year's 68.1% and 71.2% in 2023. Food and Beverage cost contributed 32.6%, payroll cost at 17.7%, utilities and supplies at 11.5% and the rest at 6.5%. Compared to year 2024, total direct cost increased by ₱5.81 million mainly due to increased business, resulting to increase in operating expenses. Payroll cost increased by 6.67%.

Non-revenue departments such as administrative, depreciation, engineering and housekeeping showed an increase of 8.9% for the second quarter ending June 30, 2025. From ₱31.92 million in 2024, it posted an increase of ₱2.8 million in 2025 mainly due to an increase in various operating costs such as migration to

new club operating system, contract services, operating supplies, payroll, credit card fees and various engineering repairs compared to year 2024.

As of June 30, 2025, revenues over cost and expenses before other income and finance lease, decrease an income of \$\mathbb{P}2.7M\$ compared to \$\mathbb{P}5.5\$ million of same period of the previous year. Finance lease cost decreased by 22.8% while other income increased by 98.2%.

Total net income at the end of the second quarter of 2025 was \$\mathbb{P}\$.7 million compared to net income of \$\mathbb{P}\$10.3 million in same periods of 2024 and \$\mathbb{P}\$7.5 million in 2023. Net income reported in second quarter 2025 was lower compared to same period last year due to higher F&B costs, payroll expenses, administrative, general and engineering expense.

In April 2024, the Club increased the monthly membership dues from \$\mathbb{P}4,000.00\$ to \$\mathbb{P}4,500.00\$. The increase was necessary to upgrade to a more efficient Club management software and operating system, to address rising labor costs due to industry standardization, government-mandated wage increases and statutory contributions, to comply with the 20% senior citizen discount and the 12% value-added tax exemption, and additional expenditures on Club improvements to enhance the member experience. This adjustment resulted in a considerable boost to overall membership revenue figures for the second quarter 2025, as compared to same period last year.

Total number of members as of June 30, 2025 was 2300 or an increase of 6 members from 2294 as of December 31, 2024. For the second three months of 2025, the Club has noted 8 Class A and 1 Class C secondary transfers.

Total assets as of June 30, 2025 amounted to \mathbb{P} 993.5 million, compared to P1.030 billion as of December 31, 2024, representing a decrease of \mathbb{P} 37.4 million. This decline was primarily attributable to reductions in cash and due from related parties. Cash declined by \mathbb{P} 49.6 million, mainly due to payments to suppliers, settlement of accounts payables, and contract liabilities. In contrast, certain current assets showed increases: contract receivables rose by \mathbb{P} 5.6 million, advances to suppliers by \mathbb{P} 1.8 million, and inventories by \mathbb{P} 0.2 million. Other current assets also increased by \mathbb{P} 9.2 million, or approximately 241%, due to prepayments of property taxes, licenses, permits, and association dues. The net book value of property and equipment slightly decreased by \mathbb{P} 0.3 million, despite capital expenditures totaling \mathbb{P} 9.3 million. The decrease was mainly due to depreciation expense of \mathbb{P} 8.6 million recognized during the second quarter of 2025.

Total current liabilities amounted to P92 million as at June 30, 2025 and P130.9 million as at December 31, 2024 or a decrease of P38.9 million or 29.7%. Accounts and other payables decreased to P62.9 million from last year's P90.3 million or a 30.3% decrease. This is due to payments made to suppliers and manning agencies. Contract liabilities decreased by 28.0% or P10.2 million. Included in the Contract liabilities are events deposits and advance membership dues of members. Advance monthly dues are applied as they mature. Due to related party increased by P.4 million from P.08 million in December 2024 to P.55 million by June 30, 2025.

Net Income reported as of June 30, 2025 was \$\mathbb{P}.7\$ million, while \$\mathbb{P}4.7\$ million in 2024 and \$\mathbb{P}7.4\$ million in same period in 2023.

With a capital stock of \$\mathbb{P}1.1\$ billion, stockholders' equity as at June 30, 2025 increased to \$\mathbb{P}878.1\$ million from \$\mathbb{P}877.4\$ million as at December 31, 2024 and \$\mathbb{P}861.7\$ million as at December 31, 2023.

There are no events known to the Club that will trigger any material financial obligation including any default or acceleration of obligation.

There are no known trends, demands, commitments, events or uncertainties that will have a material impact on its liquidity.

In its 2024 annual report, the Club reported several improvements and various acquisitions of property and equipment. These expenditures primarily stemmed from the acquisition of company service vehicle, final payments for the 2-unit members' elevator, AHU chilled water-cooling system for Café Asiana, purchase of central kitchen's walk-in chiller and freezer, new kitchen equipment, various sports & gym equipment and building improvements. These new equipment and acquisitions and major repairs were undertaken to uphold and enhance the quality of facilities and services provided to the members. Funds for these were derived solely from operations.

There are no seasonal aspects that had material effects on the financial condition or results of operations of the Club.

Part II - OTHER INFORMATION

Except as disclosed in the Management's Discussion and Analysis of Financial Condition and Results of Operation, there are no unusual items affecting assets, liabilities, equity, net income or cash flows for the period. There are also no material events subsequent to the period under review up to the date of this report.

THE PALMS COUNTRY CLUB, INC.

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

Basis of Preparation

The financial statements have been prepared under the historical cost basis and are presented in Philippine Peso (P) which is the Club's functional currency. All values are rounded to the nearest Peso, except when otherwise indicated.

Statement of Compliance

The accompanying financial statements of the Club have been prepared in compliance with Philippine Financial Reporting Standards (PFRS).

Accounting Policies

Cash and Cash Equivalents

Cash includes cash on hand and in banks. Cash in banks earn interest at the prevailing bank deposit rates.

Financial Assets and Liabilities

Financial assets and financial liabilities are recognized initially at fair value. Transaction costs are included in the initial measurement of all financial assets and liabilities, except for financial instruments measured at fair value through profit or loss (FVPL)

The club recognizes a financial asset or financial liability in the balance sheets when it becomes a party to the contractual provisions of the instrument

Loans and Receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Such assets are carried at cost using the effective interest method. Gains and losses are recognized in the statements of revenue and expenses when loans and receivables are derecognized or impaired, as well as through the amortization process.

Loans and receivables are classified as current when these are expected to be realized within twelve months from the reporting date. Otherwise, these are classified as noncurrent assets.

This category includes the Club's cash and receivables.

Other Financial Liabilities

Other financial liabilities are non-derivative financial liabilities with fixed or determinable payments that are not quoted in an active market. These liabilities are carried at cost or amortized cost in the balance sheet. Amortization is determined using the effective interest method.

Included in this category are the Club's trade and other payables and due to a related party.

Impairment of Financial Assets

An assessment is made at each reporting date as to whether there is objective evidence that a financial asset or group of financial assets may be impaired. If such evidence exists, any impairment loss is recognized in the statement of revenues and expenses.

Inventories

Inventories are valued at the lower of cost or net realizable value (NRV). NRV is the estimated selling price in the ordinary course of business less estimated costs necessary to make the sale. Cost is determined using the first-in, first-out method.

Property and Equipment

Property and equipment consist of land and land improvements, buildings and facilities and equipment. Except for land, the Club's property and equipment are stated at cost less accumulated depreciation and amortization and impairment in value, if any. Land is stated at cost less any impairment in value.

The initial cost of property and equipment consists of its purchase price, including import duties, taxes and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Expenditures incurred after the assets have been put into operation, such as repairs and maintenance, are normally charged to operations in the period in which the costs are incurred. In situations where it can be clearly demonstrated that the expenditures have resulted in an increase in the future economic benefits expected to be obtained from the use of an item of property and equipment beyond its originally assessed standard of performance, the expenditures are capitalized as an additional cost of property and equipment. When assets are sold or retired, their cost and accumulated depreciation and amortization are eliminated from the accounts and any gain or loss resulting from their disposal is included in the statement of revenues and expenses.

Depreciation and amortization are calculated on a straight-line basis over the estimated useful life of the related assets as follows:

Land improvements	10 years
Building	40 years
Sports, kitchen and other facilities and equipment	5 to 10 years

The Club estimates the useful lives of its property and equipment based on the period over which these assets are expected to be available for use. The useful lives and depreciation and amortization methods are reviewed periodically based on factors that include asset utilization, internal technical evaluation, technological changes, environmental and anticipated use of the assets tempered by related industry benchmark information. It is possible that future results of operations could be materially affected by the changes in the factors mentioned. A reduction in the estimated useful lives of property and equipment would increase depreciation and amortization expenses and decrease property and equipment.

Retirement Benefit Costs

Pension costs are actuarially computed using the projected unit credit valuation method. Under this method, the current service cost is the present value of retirement benefits payable in the future with respect to the services rendered in the current period. Actuarial valuations are conducted with sufficient regularity, with option to accelerate when significant changes to underlying assumptions occur.

Revenue Recognition

Revenue is recognized when it is probable that the economic benefits associated with the transaction will flow to the Club and the amount of revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized.

Membership dues

Membership dues to support the operation and maintenance of the Club are billed one month in advance and are credited to operations in the period to which the dues apply.

Collections for accounts which are not yet due and therefore do not qualify for revenue recognition are recorded as "Membership dues paid in advance" in the liabilities section of the financial position.

Food & Beverage

Revenue from sale of food and beverages are recognized when served.

Sports & Recreation

Revenue from sports and recreation are recognized when services have been rendered.

Club Shop & others

Revenue is recognized when the risk and rewards of ownership of the goods have passed to the buyer.

Interest Income

Interest income is recognized as it accrues taking into account the effective yield on the asset.

Equity

Capital Stock is measured at stated price for all shares issued.

'Accumulated deficiency of revenues and membership dues over cost and expenses' represents accumulated losses and earning and any adjustment arising from application of new accounting standard, policies or corrections of errors applied retroactively by the Club.

Cost and Expenses

"Direct costs" and "operating expenses" are expenses that arise in the course of the ordinary operations of the Club. Direct costs and operating expenses are expensed as incurred.

Provisions

A provision is recognized only when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

Contingencies

Contingent liabilities are not recognized in the financial statements. They are disclosed unless the possibility of an outflow of resources embodying economic benefits is remote.

A contingent asset is not recognized in the financial statements but disclosed when an outflow of economic benefit is probable.

The land forms part of Lot 392 of the Muntinlupa Estate in the name of the Republic of the Philippines and developed by Filinvest Alabang, Inc. (the developer referred to in Note 10) into what is now known as the Filinvest Corporate City (FCC). Lot 392 was the subject matter of Civil Case Nos. 99-075 and 99-320 for annulment of titles and contracts, considered to be nuisance suits. In its Resolution dated July 30, 2007, the Supreme Court affirmed the dismissal of Civil Case No. 99-075 by the trial court and Court of Appeals. On the other hand, the trial court has required the plaintiffs in Civil Case No. 99-320 to pay the docket fees correspond ding to the value of the property subject of this case. As of December 31, 2009, the plaintiffs have not done so. Accordingly, counsel of FAI filed in February 2009 a "Motion to Dismiss" praying that the case be dismissed with prejudice. The motion to dismiss was granted on November 19, 2009.

9. Related Party Transactions

The Club has entered into various transactions with related parties. Parties are considered to be related if one party has the ability, directly or indirectly, to control the other party in making financial and operating decisions or the parties are subject to common control or common significant influence (referred to as affiliates).

Transactions entered into by the Club with related parties are at arm's length and have terms equivalent to the transactions entered into with third parties.

Significant related party transactions follow:

- a) The Club has trade receivables from its affiliates as members of the Club for which it bills monthly membership dues and use of facilities. These affiliates include entities with FAI, the developer.
- b) The Club maintains cash in bank account with Eastwest Banking Corporation (EWB), a bank affiliated with FAI. Cash in bank earns interest at the prevailing market rates.

c) The Club has trade payables for Filinvest City maintenance and utilities from FAI, its developer.

As at June 30, 2025 and December 31, 2024, the Club's due to related parties is amounting to P.55 million and P.08 million, respectively.

10. Capital Stocks

The club's Capital Stocks consist of five classes of common, no par value shares as follows:

	Mar. 31, 2025	Dec. 31,2024
Class A Shares		
Authorized and paid - 1,900 shares	915,109,926	915,109,926
Class B shares		
Authorized and paid - 250 shares	120,270,900	120,270,900
Class C shares		
Authorized and paid - 150 shares	72,312,695	72,312,695
Class D shares		
Authorized and paid - 2,293 shares	2,293,000	2,293,000
Founder shares		
Authorized and paid - 7 shares	7,000	7,000
	1,109,993,521	1,109,993,521

All classes of shares entitle the holders to one vote for each share in any and all regular and special meetings of shareholders.

Class A shares are available to natural persons and entitle the holder to membership in the Club and to the use and enjoyment of the Club's facilities. Class A shares are likewise available to juridical persons and entitle the holders to name one nominee for membership in the Club to use and enjoy the facilities of the Club.

Class B shares are available only to juridical persons and entitle the holder to name two nominees for membership in the Club and enjoy the facilities of the Club.

Class C shares are available only to juridical persons and entitle the holder to name three nominees for membership in the Club and enjoy the facilities of the Club.

Holders of Class D shares are not entitled to the use and enjoyment of the Club's facilities. Correspondingly, Class D shares are to be excluded in the computation and assessment of membership fees, dues and other payments relative to the operation and maintenance of the Club.

Founder's shares shall have the exclusive right to vote and be voted for in the election of directors for five years from and after the date of the registration of the Articles of Incorporation. Thereafter, the holders of the Founder's shares shall have the same voting rights and privileges as holders of Class A shares.

The Club shall not issue shares of stock, which will reduce the stock ownership of Philippine citizens to less than 60% of the outstanding capital stock. No holder of any class of shares shall have any pre-emptive right to acquire, purchase or subscribe to any share of the club of any class.

The shares held by FAI and its respective nominees for the founder's shares or held by the Club are non-obligatory or participating.

Subscription Agreement with a Developer

Under the terms of the subscription agreement between FAI (Developer) and the Club, dated September 14, 2000, as amended on October 20, 2000, the Developer undertook the following:

- Ceded, transferred, assigned and delivered to the Club a parcel of land at Filinvest Corporate City with an area of 30,000 square meters valued at ₱14,000 per square meter or a total of ₱420.0 million in exchange for 867 Class "A" shares, 115 Class "B" shares and 68 Class "C" shares, or a total of 1,050 shares valued at ₱400,000 per share.
- Developed the above property into a world class sports and country club including facilities and equipment necessary to operate the Club in exchange for 1,033 Class "A" shares, 135 Class "B" shares and 82 Class "C" shares, or a total of 1,250 shares valued at ₱400,000 per share or ₱500.0 million. Property development cost amounting to ₱687.7 million was initially credited to advances from developer pending final turnover and acceptance of the developed property.

In 2004, the corresponding shares of stock were issued to the Developer upon final acceptance of the property by the Club. Accordingly, the amount of advances from developer of \$\mathbb{P}687.7\$ million was credited as Capital Stock.

- Paid in cash the amount of ₱2.3 million in exchange for 2,292 Class "D" shares at P1,000 per share.
- The documentary stamp and other taxes arising from capital stock transactions under the subscription agreement are for the account of the Developer.

ITEM 6: MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATIONS

Discussion of the Results of Operations for 2024 vs. 2023 and 2022

For the year ended December 31, 2024, the Club recorded a total revenue of \$483.2 million, marking a significant increase compared to \$456.8 million in 2023 and \$348.1 million in 2022. Membership dues collected amounted to ₱123.1 million, representing 25.5% of total revenues. The significant increase in membership revenue can be attributed to the rise in monthly membership dues from P4,000.00 to P4,500.00, effective April 1, 2024, reflecting a 15% increase. The increase in membership dues was necessary to upgrade to a more efficient Club management software and operating system, to address rising labor costs due to industry standardization, government-mandated wage increases and statutory contributions, to comply with the 20% senior citizen discount and the 12% value-added tax exemption, and additional expenditures on Club improvements to enhance the member experience. This adjustment resulted in a considerable boost to overall revenue figures for the year. Revenues from Sports & Recreation were ₱36.5 million in 2024, compared to ₱31.3 million in 2023 and ₱21 million in 2022. This segment contributed 7.6%, 6.9% and 6.0% to total club revenues in 2024, 2023, and 2022 respectively. Club Shop and other miscellaneous revenues amounted to \$24.7 million in 2024, \$29.7 million in 2023, and ₱24.6 million in 2022, contributing 7.2%, 6.5% and 7.1% of total revenues in 2024, 2023, and 2022 respectively. These encompasses various sources such as transfer fees, assignment and renomination fees, revenues from party package, equipment hires and merchandise sales. The total increase in revenue by \$26.4 million in 2024 can be attributed also to increased patronage by members.

As of December 31, 2024, the total direct costs amounted to P333.3 million, representing 69% of the total revenues. This is compared to 70.3% or P321 million in 2023 and 69.9% or P243.2 million in 2022. Out of the total direct costs, the total cost of sales (food and beverage, sports & recreation, club shop and others) percentage was 38% of the total revenues in 2024. Significant direct costs include utilities, laundry and operating supplies which accounted for P48.9 million or 10.1% of total revenue in 2024 and payroll which accounted for P83.8 million or 17.3% of total revenue in 2024. Other direct costs (banquets and special events, communications, contracted services and marketing expenses) totaled P17 million or 3.5% of total revenue in 2024.

The total other operating expenses, excluding depreciation, stood at \$108 million as of December 31, 2024, compared to \$89.7 million as of December 31, 2023 and \$71.8 million in 2022. Notably, excluded from theses operating expense is the \$4.8 million lease charge for chilled water supply in 2024. The rise in other operating expenses can be attributed to the Club's full operations and

the corresponding increase in revenues. Management remains committed to implementing measure aimed at controlling operating costs.

The total depreciation expenses for 2024 amounted to \$28.5 million, from \$30.0 million in 2022, resulting a decline of \$1.5 million or 5.1%. This is due to the adjustments in building accumulated depreciation.

From December 31, 2023, to December 31, 2024, the membership count increased by 11, from 2,283 to 2,294 members. The recorded secondary shares sold consisted of 50 for Class A and 2 for Class C. Total membership dues collected for the year amounted to \$\mathbb{P}\$123.1 million, reflecting the adjustment of dues increase from \$\mathbb{P}\$4,000.00 to \$\mathbb{P}\$4,500.00 effective April 2024, representing 15%. Additionally, management continued its discount scheme, allowing members to prepay twelve months' worth of membership dues in exchange for one-month F&B credits at any restaurant outlet within the Club.

In 2024, the total current assets amounted to ₱250.2 million, compared to ₱206.7 million as of December 31, 2023. Among these assets, cash comprised 74.2%, contract receivables 15.4%, due from related parties 1.7%, inventories 6.7%, advances to suppliers .4% and other current assets 1.5%. Contract receivables as of December 31, 2024 decreased by 18% due to recognition of impairment loss and adjustment to accounts receivable auction account from previous years. Total inventories decreased by 2% as at December 31, 2024, primarily attributed to better management and handling of purchases of food and beverages. To capitalize on substantial discounts and item availability, the Club rented an external cold storage and procured bulk meat supplies in preparation for the holiday season in December.

For the year ending December 31, 2024, the acquisition of property and equipment totaled \$\textstyle{2}18.7\$ million. This expenditure primarily stemmed from the acquisition of company service vehicle, final payments for the 2-unit members' elevator, AHU chilled water-cooling system for Café Asiana, purchase of central kitchen's walk-in chiller and freezer, new kitchen equipment, various sports & gym equipment and building improvements. These new equipment and acquisitions and major repairs were undertaken to uphold and enhance the quality of facilities and services provided to the members.

As at December 2024, the Club's total current assets amounted to \$250.2 million, while current liabilities stood at \$130.9 million. The Club's current ratio reached to 1.91, compared to 1.84 as at December 31, 2023, indicating a healthy liquidity position. To bolster its cash position, penalty charges of 2% per month or 24% per annum were implemented against members with overdue accounts. Furthermore, access to the Club's facilities and amenities is suspended for members whose accounts are overdue for 60 days or more. The quick ratio, improved to 1.71, as compared to 1.60 as at December 31, 2023, reflects a favorable liquidity position, while the solvency ratio is robust at 6.72 from 7.4 in December 31, 2023.

As at December 31, 2024, the Club's total assets stood at of \$\mathbb{P}1.03\$ billion. The Club's debt ratio is strong at .17, with total liabilities of \$\mathbb{P}153.5\$ million over stockholders' equity of \$\mathbb{P}877.4\$ million.

Commitment for Capital Expenditure

In April 2016 the Club entered into an "Efficiency Performance Contract with Engle Services (Philippines) for the latter to operate and maintain installations that supply chilled water to the Club. This is a comprehensive rehabilitation of the air-conditioning system of the Club. The terms of the agreement require that the Club make monthly fixed payments of P246,000 exclusive of VAT from the date of agreement until the date of completion of testing and commissioning of the chilled water Installations. The agreement further stipulates that Engle will initially shoulder the cost of the installations for the chilled water supply owned by the Club and Engle to bill the Club for its share of the cost of installations. Upon completion of testing and commissioning, the Club is required to make fixed monthly payments of P622,000 exclusive of VAT, for the next ten (10) years representing the fixed period charges of the Club for the use of the chilled water and after which, the ownership of the remaining installations will be vested to the Club. As of December 31, 2017, the Club has paid Engle P22.5 million representing Club's share in the cost of installations.

On February 28, 2017, Engie has completed the testing and commissioning of the installation. On March 18, 2017, full operation commenced and Engie started billing the Club the fixed charges. As of December 31, 2023, the club has paid a total of \$57.8 million equivalent to ninety-three (93) fixed monthly installments.

V. PRESENTATION OF MANAGEMENT REPORT

The General Manager of the Club, Mr. Hans Rudolf Neukom, presented his report on the Club's operations for the year ended 31 December 2023 based on the Club's Audited Financial Statements for the same period, copies of which were distributed to all shareholders of record as of 07 September 2023, together with the Information Statement. He also presented the Club's performance so far for the year 2023.

VI. RATIFICATION OF THE AUDITED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2023

After the presentation of the Management Report, the Chairman proceeded to the next item in the agenda which was the ratification of the 2023 Audited Financial Statements. He asked the Corporate Secretary if the shareholders were furnished with a copy of the 2023 Audited Financial Statements.

The Corporate Secretary responded that a copy of the 2023 Audited Financial Statements was attached to the Information Statement distributed to all shareholders of record as of 07 September 2024 and also made available on the Club's website. She reported that the resolution below was approved by majority of the shareholders based on the following tabulation of votes:

"RESOLVED, That the Club's Audited Financial Statements as of and for the year ended 31 December 2023 be approved, confirmed and ratified."

VIII. APPROVAL OF THE AMENDMENT OF ARTICLE THIRD OF THE ARTICLES OF INCORPORATION TO CHANGE THE PRINCIPAL ADDRESS FROM "METRO MANILA" TO "1410 LAGUNA HEIGHTS DRIVE, FILINVEST CITY, ALABANG, MUNTINLUPA CITY"

The next item in the agenda was the approval of the amendment of the Third Article of the Articles of Incorporation to change the principal address of the Club from "Metro Manila" to "1410 Laguna Heights Drive, Filinvest City, Alabang, Muntinlupa City".

The Corporate Secretary explained that the proposed amendment was presented at the shareholders' meeting held last year. However, the same was not submitted for approval due to insufficiency of the required quorum which should be the presence of at least 2/3 or 66.67% of the total outstanding shares of the Club. Therefore, it was being presented again for shareholders' approval this year.

The approval requires the vote of at least 2/3 or 66.67% of the outstanding shares of the Club. However, considering that less than 66.67% of the outstanding shares were present in the meeting, the shareholders were not able to proceed with the approval of this item in the agenda.
